

Tips for Good Attendance

1. Set a regular bedtime/curfew on school nights that is appropriate for your child's age. When lights go out, so should the cell phones, video games and computers.
2. Give your child enough time to get ready in the morning. Prepare lunches, pack school bags, and lay out clothing the night before.
3. Get your child to school on time, every day, and make sure homework assignments are completed on time.
4. Do not support children leaving school early during the school day.
5. View tardiness as being unacceptable behavior.
6. Schedule all appointments before or after school hours.
7. Allow your child to stay home only when he/she has a contagious illness or is too sick to be comfortable.
8. Notify the school as soon as possible if your child has a prolonged absence due to illness or hospitalization.
9. Make sure excuse notes are returned (within three days of the absence) for all absences.

We appreciate your efforts to help your child succeed at school!
