

## **MISSION STATEMENT**

The mission of Center Line Public Schools is to provide all students relevant and challenging learning experiences to inspire success and empower them to be the leaders of tomorrow.

## **BELIEFS**

**We believe . . .**

- Every person has value.
- Everyone can learn, grow and achieve.
- Education is a teaching and learning process.
- Learning is lifelong and timeless.
- Everyone requires a physically and emotionally safe environment.
- Early childhood development is the foundation of lifelong learning.
- Building character and self-confidence is imperative.
- Teaching considers the whole child and must be relevant and inspiring.
- Optimal success requires active involvement from the entire community.
- Education is fundamental to a successful society.

## **GOALS**

- CLPS will build relationships and develop a sense of ownership within the entire community to improve student learning experiences.
- CLPS will improve and enhance the facilities and infrastructure to create ideal learning environments.
- By 2020, 100% of students in Center Line will perform at grade level, and graduates will have an industry-recognized certificate or post-secondary credit.

## **OBJECTIVES**

- Analyze community and business perceptions and needs and collaboratively develop mutually beneficial relationships.
- Determine and prioritize specific infrastructure needs to design a plan for improvement.
- Examine and identify educational opportunities to enhance student performance.
