## LATCH KEY PROGRAM

### 1. Purpose of the Latch Key Program

To provide child care supervision for children whose parents are working or who otherwise are not at home immediately before or after regular school hours, on a scheduled basis.

### 2. Eligibility of Students for Latch Key Service

Students enrolled at Avalon, Elmwood, or Koepsell Schools, in grades K-5, and toilet trained are eligible to be registered with the Latch Key Program. Only students who have been enrolled by their parent or legal guardian personally will be admitted to the Latch Key facilities. Parents who have not previously enrolled their children during the current year should pick up a registration packet in the Avalon, Elmwood, or Koepsell School Latch Key Office.

### 3. Supervision

An adult supervisor, employed by South Lake Schools, will be in charge of the daily operation of the Latch-Key Program. The supervisor is directly responsible to the principals of Avalon, Elmwood, and Koepsell Schools. The caregiver to participant ratio is not to exceed 1 to 18.

### 4. Location and Facility

The gymnasium or multipurpose room at Avalon, Elmwood, and Koepsell Schools (a.m. only, p.m. - students are bused to Avalon) has been assigned to the Latch-Key Program before and after school hours. Facilities will include:

- A. Lavatory Facilities
- B. Limited playground equipment
- C. Books and games
- D. Telephone communication
- E. Table and chairs

### 5. Activities

The Latch Key Program is organized by adult supervisors to provide students with enrichment and physical activities, experiences with arts and crafts, study and reading time, and time to interact with other students. Activities will be geared to the interests and abilities of participating children and will always be supervised.

### 6. Discipline

School rules will be followed and be consistent within the Student Conduct Code as described in the Elementary Student Handbook. Special Latch Key Rules will be reviewed with the students. When time-out is used as discipline, the guideline of one minute per year of child's age is suggested as a minimum standard.

## 7. Parent or Guardian Responsibility

- A. Each student must be personally enrolled by the child's parent or legal guardian. Registration shall consist of filling out a registration form and an emergency information form containing information the supervisor will need to effectively supervise the child or contact the parent in the event of an emergency. It is the parent's responsibility to keep this information current.
- B. In case of absence, each parent/guardian must personally notify the Latch Key supervisor or the School Office for each day the child is scheduled to attend the Latch Key Program.

- C. Children enrolled in the morning program must be escorted to the Latch Key room and signed in by their parent or legal guardian.
- D. Sick children are not to attend the Latch Key Program.
- E. After school, each parent or guardian must personally come to the Latch Key room to sign out and pick up their children. No child will be permitted to leave alone.
- F. Students registered in the after-school program are expected to be picked up by their parent by 6:00 p.m. However, if for any reason a parent is delayed and cannot reach the school by 6:00 p.m., a call should be made to the Latch Key supervisor. An overtime fee for each additional 15 minutes beyond 6 p.m. of \$11.15 (for the first child) and \$2.45 (for each additional child) will be assessed. If by 6:30 p.m. the parent has not called with alternate arrangements, no other authorized adult has arrived, and neither the parent nor authorized adult can be contacted by telephone, the police will be called.
- G. Students shall not bring game boys, advanced game boys, IPODs, CD players, cell phones, or other electronic devices to latchkey.
- H. Parents are expected to reinforce the rules of student behavior with their children. Disruptive or unmanageable children will be excluded from the program upon recommendation of the supervisor.
- I. Parents are encouraged to ensure that their children have had breakfast before attending the morning program or one may be purchased. Students will be provided between 3:30 and 4:00 p.m. or they may bring one from home.
- J. **Payment for Latch Key is expected no later than the end of the week services are provided.** Parents are responsible for looking over their bills weekly to ensure accuracy. If payment is not received within two weeks, the child(ren) will not be allowed to return to the Latchkey program until the bill is paid to date.

- K. When a parent withdraws their child from the Latch Key program, a one week's notice is requested.

## 8. Latch Key Supervisor's Responsibility

- A. To provide supervision for each student enrolled in the program.
- B. To ensure that each student signed up for the program is checked in and out at the appropriate time.
- C. To establish rules of behavior in order to ensure the comfort and safety of all the children utilizing the Latch-Key Program.
- D. To maintain an emergency card on each student detailing any special health problems and telephone numbers of parents or guardians to be contacted in case of an emergency.
- E. To release children only to their parent or authorized person listed on the student emergency card.

### • RELEASING CHILDREN TO ADULTS:

The South Lake Latch Key Program procedure for releasing children to adults who appears to be impaired due to the suspected use of alcohol or drugs, is taken from an advisory letter from the Department of Consumer & Industry Services, Division of Child Day Care Licensing.

When an adult who appears to be intoxicated or who is obviously impaired due to drug usage when he or she arrives to pick up the child. The following course of action may be taken:

- The parent/guardian may be told that we feel it is not safe for the child to ride with him/her at this time.
- We may offer to call someone else to come for the child.
- We may notify police when the adult and child leave the building.

The caregiver's assessment, that the child is potentially in danger, should be based on observable evidence such as slurred speech, lack of coordination, strong smell of alcohol or other evidence which causes the caregiver to have concerns about the safety of the child.

While the caregiver has no legal right to keep the child from his/her parent/guardian, the caregiver has an obligation to provide the parent/guardian with the above listed options. Should the parent/guardian refuse to accept one of those options, the caregivers may communicate this concern to the St. Clair Shores or Eastpointe Police Department.

- F. In the event a registered child fails to arrive in the Latch Key room at the scheduled time, the supervisor will call the parent to report his/her absence.
- G. To communicate with parents, regarding any problems associated with the student's health or social behavior.
- H. The supervisor will maintain a record of the student's daily attendance. A receipt will be issued for payment of child care services.
- I. The principal will provide due process as outlined in the Corrective Discipline Procedure, prior to revoking any Latch Key privilege.

## 9. Latch Key Students' Responsibility

- A. Students are expected to follow the rules.
- B. Good manners and courtesy are always appropriate student behavior.
- C. Students are encouraged to bring Latch Key related problems to the attention of the Latch Key supervisor or school principal.

## 10. Summary

The Latch Key Program is designed to provide in-school child care for elementary students before and after school, from 7:00 a.m. until school starts, and from dismissal of school until 6:00 p.m. The term "latchkey" refers to children who are on their own during these two time periods and who wear a "latchkey" on a string around their necks.

This program has been developed as a service to working parents who have a need for responsible adult supervision of their children immediately before or after school. The Board of Education expects Latch Key to be self-supporting.

It is important that rules be established and enforced regarding the health, safety and security of the children involved. Although it may, upon occasion, appear inconvenient or bothersome to adhere to the established rules, we hope all will recognize the importance of a well-established routine.

Because we are attempting to establish a warm and caring atmosphere for the children, we invite parents to consider donating items from their homes that might add to the comfort or pleasure of the children using the program.

We encourage parents of the Latch Key children to periodically report to the school principal their impressions of how the program is going. We welcome your ideas for improvements.

Dear Parents/Guardians

On half-days and on other occasions, sometimes we show a movie to our children. Our current policy is to show “G” rated movies only. However with your permission, we may show “PG” movies as well. If your child is allowed to participate in the showing of a “PG” movie, please sign the permission slip below. If not, we respect your guidance in knowing what is best for your child and would also provide a “G” movie for him/her too.

**Exclusion Policy for Child Illnesses**  
**2017-2018**

The South Lake Latch Key Program procedure on exclusion policy for child's illnesses follows the Handbook for South Lake Schools.

“An optimum level of health is necessary for a child to perform his/her best academically. As a personal health precaution, and in consideration of the health of others, **a child should be kept at home** if any of the following symptoms are present: nausea, vomiting, abdominal pains, complaints of chills and fever, sore throat, persistent coughing, or any skin rash or eruption. **In the event of injury or illness** to the child at school, the teacher or principal will contact the parent immediately so that the parent or other emergency contacts can make arrangements for the child to be picked up from school. If in the event of illness or accident the parent cannot be reached, the child will be taken to the nearest available doctor or hospital. In case of severe injury or illness, the local Fire Department Ambulance Service will be called. The Fire Department will bill parents for the costs of the service.”

I have read this and understand that this procedure will be followed by the South Lake Latch Key caregivers as part of the child illness policy.
