LOOKING AHEAD

Expanding our library of online resources and digital content

WHY CANVAS?

- Canvas gives students and teachers one location to own and manage learning.
- Canvas simplifies teaching and learning by connecting all the digital tools teachers use in one easy place.
- Canvas increases student-teacher communication and personalizes the classroom to engage students in meaningful learning.

ALIGNMENT WITH C&I VISION

Using an understanding of proficiency, educators will activate learning through highly engaging student work.

EXPOSE

- Exposing students to deeper learning opportunities that re-structure the learning process toward knowledge creation and purposeful use.

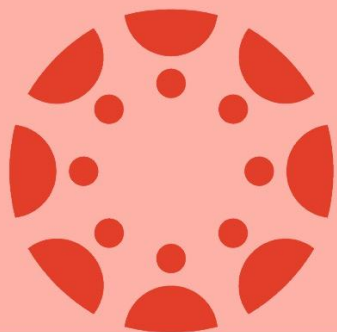

EMPOWER

- Empowering students in a learning environment that supports the 5 C's through innovative instructional design.

ENGAGE

- Engaging students in learning experiences that are authentic and exhibit learning through multiple measures of proficiency.
