INDEPENDENT AUDITOR'S REPORT

The Board of Trustees
The Citizens' Oversight Committee
Whittier Union High School District

Whittier, California 90605

We have conducted a performance audit of the Whittier Union High School District (the "District"), Measure W General Obligation Bond funds for the fiscal year ended June 30, 2015.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page three of this report which includes determining the District's compliance with the performance requirements for the Proposition 39 Measure W General Obligation Bonds under Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the Bonds and the net proceeds thereof. Management is responsible for the District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal control of the District to determine if internal controls were adequate to help ensure the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution. Accordingly, we do not express any assurance on internal control.

The results of our tests indicated that, in all significant respects, Whittier Union High School District expended Measure W General Obligation Bond funds for the year ended June 30, 2015 only for the specific projects developed by the District's Board of Trustees and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

PERFORMANCE AUDIT

BACKGROUND INFORMATION

In November 2000 the voters of the State of California approved Proposition 39 authorizing the issuance of general obligation bonds by California public school districts and community colleges, under certain circumstances and subject to certain conditions. On November 4, 2008, a general obligation bond proposition (Measure W) of the Whittier Union High School District was approved by the voters of the District. Measure W authorized the District to issue up to \$75,000,000 of general obligation bonds to finance various capital projects, and related costs, as specified in the bond measure provisions of Measure W.

Pursuant to the requirements of Proposition 39, and related state legislation, the Board of Trustees of the District established a Citizens' Oversight Committee and appointed its members. The principal purpose of the Citizens' Oversight Committee, as set out in state law, is to inform the public as to the expenditures of the proceeds of the bonds issued pursuant to the Measure W bond authorization. The Citizens' Oversight Committee is required to issue at least one report annually as to its activities and findings.

Section 1(b)(3)(C) of Article XIII A of the California Constitution requires the District to conduct an annual independent performance audit to ensure that the proceeds of the bonds deposited into the Measure W Bond Building Fund have been expended only for the authorized bond projects. Consistent with this provision, Section 15286 of the California Education Code requires the performance audit to be conducted in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States and be submitted to the Citizens' Oversight Committee by March 31 of each year.

PERFORMANCE AUDIT

OBJECTIVES

The objectives of our performance audit were to:

- Obtain documentation for the expenditures charged to the Whittier Union High School District Measure W Bond Building Fund.
- Determine whether expenditures charged to the Measure W Bond Building Fund, have been made in accordance with the bond project list approved by the voters through the approval of Measure W on November 4, 2008.
- Note incongruities or system weaknesses and provide recommendations for improvement.
- Provide the District Board and the Citizens' Oversight Committee with a performance audit as required under the requirements of the California Constitution and Proposition 39.

SCOPE OF THE AUDIT

The scope of our performance audit covered the fiscal period from July 1, 2014 to June 30, 2015. Our sample selection considered object and project codes associated with the bond projects. However, not all planned projects incurred expenditures in the current year and not all projects with expenditures were tested. The propriety of expenditures for capital projects and maintenance projects funded through other state or local funding sources, other than the proceeds of the bonds, were not included within the scope of our audit. Expenditures incurred subsequent to June 30, 2015, were not reviewed or included within the scope of our audit or in this report.
