From the Superintendent's Desk

I'd like to thank everyone for a fantastic school year. It went by quick. I am looking forward to the upcoming school year and all that it will bring.

As you may recall, our School Board agreed to grant our teachers a one hour late start every Friday beginning September 2015, allowing teachers additional time for targeted professional learning. This will keep us on track with the required Federal and State mandates for curriculum development.

Moving forward in this process and supporting parents/guardians who rely on before school care for their students is coming along nicely.

❖ The Youth Center and Teen Center on base will adjust their hours to accommodate students who attend Michael Anderson Elementary.

❖ Medical Lake Parks and Recreation has partnered with Hallett Elementary to provide structured supervision on the Hallett campus, at no cost to parents/guardians. We thank the City of Medical Lake for helping to make this happen, their continued support for our students has been tremendous.

❖ The Middle School will open their multi-purpose room and provide para educators to tutor students needing extra academic assistance based on the recommendation of teachers.

I am grateful to all the community organizations, school staff and especially the parents for their support as we transition into the upcoming school year. We will keep you updated as information is made available.

Have a great summer!

PACE CHARACTERISTIC FOR JUNE~ INTEGRITY

Spokane County Library District Summer Reading Program

Spokane County Library is wanting to let the community know about their annual Summer Reading Program, and this year's theme is "Every Hero Has a Story". Reading during the summer helps maintain and improve reading skills so minds stay alert and ready when school starts in the fall. Kids of all ages are free to explore and discover new worlds through books. Spokane County Library District has planned 6 weeks worth of activities to inspire kids to read, learn, and be the hero of their own story. Our local library, located at 321 E Herb Street, is open: Monday – Wednesday, 10:00 am – 8:00 pm, and Saturday 10:00 am – 6:00 pm. There is something for everyone! For more summer reading details, we have included a link on our website, www.mlsd.org.
