Windows

# San Bernardino County ROP

## AIM Access Page

### Windows 7 Instructions

- 1) Click the following link to open the AIM application. You can either open it directly or save it to your desktop. If you save it to your desktop, then you can open AIM by clicking the icon "aim-win" on your desktop.

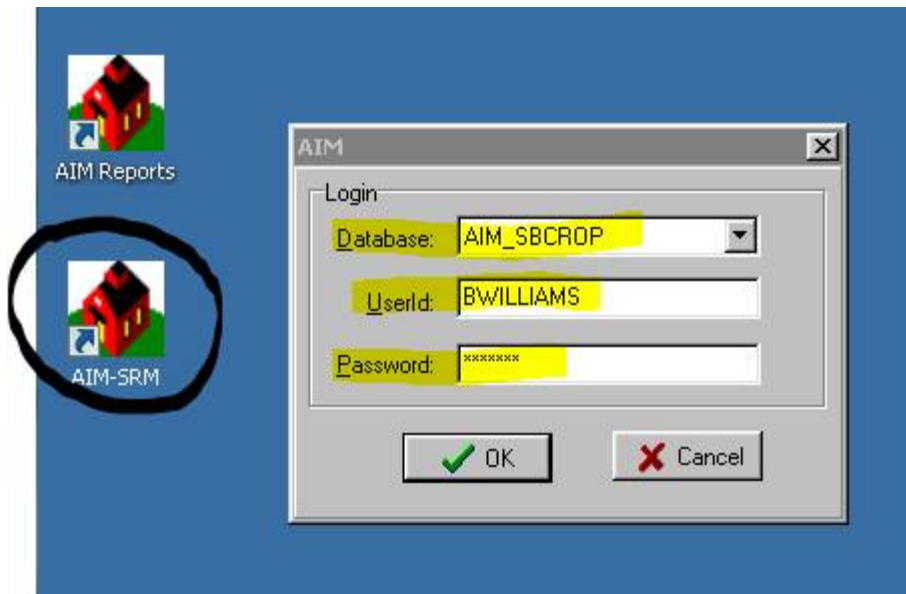

[AIM-WIN RDP File](#)

- 2) After you start the Remote Desktop connection, you will be prompted for connection information, username and password. Enter that information.

**RECOMMENDED:** Click "Remember my credentials" so that you don't have to enter it the next time you log-in.

- 3) You will come to the AIM desktop. Double click on the AIM icon to start AIM. Then enter your user-name and password. AIM will open.

4) If you have any trouble connecting, please contact your System Administrator:
