2018-19

Dear Bowman Night School Student,

Welcome to Night School! Bowman Night School is a program for students, age eighteen and older, who are working at least 28 hours per week in a job with paystubs.

Night School meets on Thursday nights from 4:30-8:45pm. Attendance is a vital part of the Night School program. Be on time and present for every Thursday, except Thanksgiving; tardiness and absences will result in being dropped as an adult student. **Students are allowed one absence per semester.** Any student who is dropped will be referred to Golden Oak Adult School.

Any student who has missed a Night School evening is required to make-up 4 hours the following Monday from 9:00am-1:00pm. You must make arrangements with your employer to be at Bowman for make-up time.

Respectful student behavior and on-task productivity are essential at Bowman Night School. All students are expected to receive at least **8 credits** per reporting period. Students who have disrespectful behavior or low productivity may be dropped from the program and referred to Golden Oak Adult School.

Please calendar the following Bowman Night School dates for 2018-19:

August-16, 23, 30

September-6, 13, 20, 27

October-4, 11, 18, 25
