# Referral List of Practicing Immigration Attorneys and Organizations

The Loyola Immigrant Justice Clinic offers live-client intakes two days a week in the East L.A. area. These intakes are extensive consults, and the attorneys screen for any possible forms of immigration relief. In case the attorney cannot provide more information, we offer a list of low-cost attorneys that may be able to help.

### Wednesdays, 2:30 pm to 5:00 pm

Dolores Mission Church  
 170 S. Gless Street  
 Los Angeles, CA 90033  
 (323) 881-0039

### Fridays, 2:00 pm to 5:00 pm

Homeboy Industries  
 130 Bruno Street  
 Los Angeles, CA 90012  
 (323) 526-1254

Our intakes offer limited appointments, and 10 walk-in clients. To set up an appointment, please call the general line at each location and ask to set up an appointment for immigration legal services.

As a community-based, live legal clinic, we currently accept clients living in Los Angeles county and only through our live intake sessions at our community partners, Dolores Mission Church (Wednesdays 2:30-5pm) and Homeboy Industries (Fridays 2-5pm).

If you are outside of Los Angeles and need further assistance, click on the link below and enter your zip code to find a non-profit organization near you that can help. If you are seeking a private attorney, please see our list of private attorneys below:
