

Senate Bill 178

During the 79th Legislative Session, Senate Bill (SB) 178 was passed to prioritize additional per-pupil allocations to provide support for students performing in the bottom quartile of student achievement who are Free and Reduced Lunch (FRL) and/or English Language Learners (ELL). Funding was prioritized; beginning with 1 and 2-star schools, and then to 3-star schools until the funds allocated to the Clark County School District were exhausted. The information provided below includes information which focused on the components of the plan.

School Information

Name of School	Name of Principal	Name of SAS
Delta Academy Charter	Bruce Congleton	Dan Tafoya

Student Demographic Information

Ethnicity	Student Number	Percent
Asian	4	3.2
Black	51	36.8
Caucasian	16	11.6
Hispanic	53	37.9
Alaskan Native/Native American	2	1.1
Multiracial	10	7.4
Pacific Islander	3	2.1
English Learners	16	11.6
Free or Reduced Lunch	133	95.8

Allocation and Coordinated Funding

Allocation Amount	\$166,800
Coordinated Funding	\$166,800

Plan

The Academic Unit worked collaboratively with the Research Department to identify students in the bottom quartile at each school. Schools refined the initial list taking into account any specific factors that affected each student, inherent transiency and instructional practice.

Consultation meetings were held with parents, legal guardians, and/or School Organizational Teams to determine the needs of pupils and preferred services.

Date(s) of Meeting(s)	September 13, 2017
Audience	Faculty, Staff, Parents, Students and Community Organizations
Feedback	The following items will be paid for by Delta Charter School in support of the SB 178 grant. Delta will increase the number of instructional minutes by over 6,200 for 2017-2018 school year, provide before and after school tutoring and offer a six-week summer school remediation program.

Measurable Goals

Measurable goals for the 2017-2018 and 2018-2019 school years were developed and aligned with the Every Student Succeeds Act (ESSA).

School Year	Goal(s)
2017-2018 2018-2019	Increase the percentage of students proficient in reading thereby decreasing the reading proficiency gaps between highest performing subgroups by 8 percent as measured by state assessments. Increase the percentage of students proficient in math thereby decreasing the math proficiency gaps between highest performing subgroups by 8 percent as measured by state assessments.

Action Steps

The following actions steps were developed and implemented, which include programs and services and supports that meet the Every Student Succeeds Act research tiers, Evidence-based Initiative (EBI).

Action Step	Description
Extend instructional hours	Delta increased the number of instructional minutes by over 6,200 for 2017-2018 school year.
Offer before/after school tutoring	Delta offers before and after school tutoring for students eligible through SB 178.
Offer summer school remediation	Delta will offer a six week summer school remediation program for those students eligible through SB 178.
