Re: **PV KIDS' CORNER ENROLLMENT INFORMATION FOR TRANSITIONAL KINDERGARTEN STUDENTS**

PV Kids' Corner is designed as a high quality program offering art, social, educational and recreational activities in a safe, caring and nurturing environment. Specially designed campus centers at most PVPUSD elementary schools keep your child in familiar surroundings and eliminate transportation concerns.

PV Kids' Corner centers offer many different enrollment choices for Transitional Kindergarten students from occasional drop-in childcare to monthly programs.

- Before School Program from 6:30 a.m. to 8:30 a.m. (*Supervision is not available after 8:30 a.m.*)
- Kinder Plus Program from school dismissal to 3:15 p.m.
- After School Program from school dismissal to 6:30 p.m.

Parents must submit completed registration forms circling the specific days desired for the Before School, Kinder Plus and/or After School Programs. If the registration forms for your child do not indicate a specific schedule to start at the beginning of the school year, your child's enrollment will be processed for emergency drop-in care only. Be advised that availability cannot be guaranteed for a future schedule request or occasional drop-in care.

During the first week of the school year, all TK students attend school on the EarlyBird class schedule. Therefore, program fees will be charged according to the Before School, Kinder Plus or After School Program requested for your child, if enrolled in the PV Kids' Corner Program.

After the teachers have assessed their students, they will assign the TK students to the EarlyBird or LaterGator classes. When the TK students are divided into Early/Late classes, Kids' Corner will accept written schedule changes due to the EarlyBird/LaterGator class determination without the required minimum two-week advance written notification.

Upon written notification from parents, EarlyBird and LaterGator schedules will be adjusted this one time without the required two-week advance notification. For all other schedule changes or cancellations, our business office must receive a minimum two-week advance written notification and all changes or cancellations must remain in effect a minimum of four weeks. Please refer to the PV Kids' Corner Parent Handbook for the full enrollment change/cancellation policy details.

Thank you for your interest in PV Kids' Corner!
