

Stephanie Poillucci double majored at Hofstra University and earned her Bachelor of Arts degrees in Psychology and Elementary Education; she later earned a Masters Degree in English Language Learning from the University of Phoenix. Ms. Poillucci began her career in Long Island working in the Elwood and the Patchogue-Medford school districts. In 2004, she was invited to create a kindergarten program at Tutor Time in Armonk and spent a year and a half writing and implementing the kindergarten curriculum. In 2006, Ms. Poillucci began her journey at BBL as a 3rd grade teacher. She spent two years in the grade before moving to the 5th grade, where she became the lead teacher for the team. In 2010, Ms. Poillucci, in addition to her lead teacher responsibilities, became the school's assessment coordinator and also initiated a Saturday program for the 5th grade students, serving as the program's coordinating teacher. In 2013, Ms. Poillucci became an Academic Leader, a role in which she mentored the teachers on the team in their instructional practices. In 2016, Ms. Poillucci coordinated the rewriting of the 5th grade English Language Arts curriculum with the grade-level teachers. Currently, she works full time as a Professional Development Specialist, mentoring teachers in the Subordination of Teaching to Learning approach as it applies to the English Language Arts.
