January 2017

Dear Member of the Class of 2021:

Congratulations once again on your admittance into Saint Dominic High School! Attached to this letter please find an application for a limited number of financial scholarships that are available to incoming freshmen-the Albert F. Carey '69 Scholarship and the Bayhawks' Foundation Scholarship. These scholarships are not exclusively merit based and are different than the scholarships offered to students who have scored well on the CHSEE exam.

To qualify for these scholarships, you must fill out the application in its entirety and submit to the scholarship committee by March 15<sup>th</sup>, 2017. While financial aid is available to students entering their sophomore, junior, and senior years, these scholarships are available to incoming freshmen for four years who demonstrate a continued financial need and are active members of the St. Dominic High School community by remaining in good academic standing and participating in one extracurricular activity.

You will be notified by April 10<sup>th</sup>, 2017 if you are receiving a financial aid award.

Sincerely,

Mrs. Patricia Hall  
Business Manager
