Dear Parent/Guardian:

The Pomona Unified School District recognizes the possibility of a major disaster or earthquake in our area. We are concerned about the total health and welfare of all students.

Of particular concern is the health of students requiring daily medication to control serious diseases. These include diabetes, seizure disorder, asthma and cardiac conditions.

We want to be of assistance to your child in the event of an emergency. We suggest you bring to the school office the following:

1. A disaster medication consent form signed by your child's doctor and you (attached).
2. A three day supply of the medication in a properly labeled pharmacy container.

At the end of this school year, you may pick up the medication. No forms or medication will be carried over into the next school year.

Thank you for helping us assist your child. If you have any questions please contact us at 397-\_\_\_\_\_.

Sincerely,

\_\_\_\_\_
