**Date: September 27, 2017.**

**Time: 4:00-5:00 p.m.**

**Location: Conference Room**

**School Mission:** Needham Elementary School is a community committed to providing a safe and nurturing environment that fosters mutual respect and academic excellence. We challenge students to make creative, meaningful, and reflective contributions, and to succeed with integrity. Our students are inspired to be life-long learners and to become at home in the world.

**School Goals:**

- 1) **Professional Growth:** Each staff member will develop and demonstrate an understanding of Personalized Competency Based Learning, and implement its components into instruction.
- 2) **Student Growth:** All students will demonstrate growth in Reading Fluency, Comprehension, Writing and Math Computation.
- 3) **Community Confidence:** Parents and guardians of Needham students will demonstrate confidence in the school's academic program and student outcomes.
- 4) **School Performance Accountability:** Needham will receive a designation of Performance School from the Colorado Department of Education.
