

HAC

Home Access Center

Home Access Center (HAC) allows guardians to access their child's grades, attendance, course schedule, and other important information.

<http://grades.bryanisd.org>

- If you had a login last year, your same login and password will still work.
- If you have forgotten your password, there is a link on the HAC login screen that will help you set a new password.
- If you do not have a username or password, you will be able to use a link on the HAC login page to register for a new account.

For more information, or help with your account, contact the HAC Help desk at hac@bryanisd.org. Help information is also available online at <http://grades.bryanisd.org>
