Parent Request for School Assistance with Medication

I understand that school district regulations require student medication to be maintained in a secure place, under the direction of an adult employee of the school district, and not carried on the person of a student (with the exception of asthma inhalers and epinephrine auto-injectors accompanied by appropriate physician instructions).

A. **I hereby request that the staff of my child's school assist in giving medication** to my child during school hours as stated in the physician instructions. I also give permission to contact the physician for consultation and exchange of information as needed.

Signature of Parent or Guardian: ______________________ ***Date:*** __________ **Phone Number:** ________________

B. **For ASTHMA INHALER/EPINEPHRINE AUTO-INJECTORS SELF-administered only**: I hereby request that my student carry and self-administer his/her asthma inhaler or auto-injector. I understand that if my student does not follow the rules and responsibilities of carrying his/her medication, he/she will lose the privilege of carrying such medication.* I also give permission to contact the physician for consultation and exchange of information as needed.

Signature of Parent or Guardian: ______________________ ***Date:*** __________ **Phone Number:** ________________

Student Contract – Asthma Inhalers Only

I agree to keep my medication in a safe and secure place, such as on my person, at all times. I agree I will NEVER share my medication with another student. If I am using my inhaler more than once a day, I will speak with the school nurse.
