

## SHOULD YOU SEND THEM TO SCHOOL?

It's often difficult for parents to know whether their children are too sick to attend classes. Here are some general guidelines.

### Key

1. Keep at home →

2. Send to school →

3. See a doctor →

### Course of Action

### Symptoms

Fever measured orally is above 100

Vomits more than once

Infrequent diarrhea

Ear infection; no pain

Minor cold: runny nose, cough, sneezing, sore throat

Infestation of scabies, lice (After treatment begins)

After treatment begins

Cold sores (Sore covered)

Sore covered

Strep throat (After 24 hours of medication)

After 24 hours of meds

Undiagnosed skin rash

Eye infection

Flu: body aches, fever, headache

Vague "I don't feel good" symptoms
