

Agreement for Volunteers

Drug-Free Schools and Communities Act
Compliance with DOE's Drug-Free Workplace Policy

• Thank you for participating in our school activities. As an integral part of our public school system, you are helping to better the education and welfare of our children through your volunteer efforts.

As volunteer, please be sure that you have registered with the school and that the activity for which you are volunteering / chaperoning is accepted as an official function of the school. Also, please be aware that all volunteers are expected to exhibit appropriate behavior while participating in all school activities on and off the school campus.

You will also be subject to the DOE's Drug-Free Workplace Policy which prohibits the "unlawful manufacture, distribution, dispensation, possession, or use of illicit substances on school premises or as part of any school activity" and also "on work time, and while performing employment services outside of the workplace." "Illicit substance" refers to "drugs, intoxicating compounds or liquors, or substances which are illegal to possess, use or sell." Volunteers who violate this policy will be referred for prosecution, may forfeit their volunteer status, and may risk denial of legal representation by the State in the event of any legal action resulting from the violation.

Thank you again for your support of public education . Let us continue to provide a nurturing environment for our children.
