California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Mrs. Trisha Vais, Director

 Principal, Trivium Charter

About Our School

Welcome to Trivium Charter School!

Trivium believes in partnering with parents to provide a solid foundation of knowledge that inspires a passion and confidence in learning. Together we create students who think critically, speak confidently, and achieve their individual goals. Trivium achieves this mission through a variety of methods that have been proven to work. The basis of a classical program is to employ the use of critical thinking and logic skills to understand scientific and historic thought processes.

Students learn through an Independent Study model and may choose to attend learning center classes. On behalf of the Trivium Charter School staff, I thank our charter school families, the communities and surrounding areas of Atascadero, Arroyo Grande, Santa Maria, Lompoc, Santa Barbara and Blochman Union for supporting our students and programs as we continue to thrive.

Sincerely,

Founder and Director,

Trisha Vais

School Description and Mission Statement - Most Recent Year

Mission Statement:

Trivium Charter exists to blend the best of the classroom environment with the best of homeschooling/independent study methods to allow a student to thrive academically, socially and emotionally.

School Description

Trivium Charter School offers our students the best of both worlds--a blend of learning center classes and independent/home study. Our goal is to promote a life-long love of learning where student success is both personalized and attainable. At Trivium, parents work closely with the credentialed teachers and the Curriculum Advisors in a truly personalized approach to learning. Our students receive a personalized learning plan tailored to their individual pace at home while enjoying group interactions in our learning centers. The hybrid model enriches and challenges students in different ways, in turn, creating well-rounded and well educated students.

Collaboration between the parents, teachers and students is central to this approach. Each student and home setting is unique. We understand that students learn best when they are motivated, involved, and appropriately challenged. Therefore, we individualize each student's educational program to his or her interests and ability levels to ensure that each student learns at his or her own optimal rate and level. In addition, we help the child develop their skills to work well in a group environment and various assigned teams to complete projects and assignments during the learning center classes.

It is our philosophy that learning is promoted by engaging student interests. Experiments, hands-on learning and projects-based learning are central to our Classical approach towards education. Socratic questioning develops critical thinking skills. Students learn the development of scientific thought processes and will be able to understand how history is related to current views, issues, victories and challenges.

A typical week at Trivium Charter on our ACE days--two days each week--covers history, geography, science with experiments, art (applied and history), music history, writing (quick writes, copy work, IEW), literature circles, and practical math. In addition, ACE has group work, hands-on activities, public speaking, memory work, and critical thinking skills that are embedded within the subjects. Trivium also offers academic enrichment and tutoring as well as a third day option for additional electives, tutoring, support and credit classes.

A typical week at home for Trivium students includes language arts and math. Language arts, depending on the student's level, consist of writing and writing mechanics (spelling, grammar, vocabulary, handwriting) and reading (phonics, reading comprehension/literacy analysis). There may be occasional ACE assignments to complete at home as well. In addition, we encourage parents to add foreign language study, critical thinking exercises, typing instruction and additional history/science exploration depending on the needs, interests and abilities of each student.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2013-14	2014-15	2015-16	2015-16
With Full Credential	25	33	40	
Without Full Credential	0	0	0	
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0

School Facility Conditions and Planned Improvements - Most Recent Year

Trivium Charter School currently rents and operates six facilities located in Santa Barbara County and San Luis Obispo Counties. The campuses are very safe, kept very clean and orderly and are well supervised during all recess and lunch breaks. Trivium staff cleans the campus at the end of every school day. Currently, there is not any needed maintenance at any of the learning centers.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	56.0%	39.0%	44.0%
Mathematics (grades 3-8 and 11)	31.0%	24.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

Last updated: 1/28/2016

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement - Most Recent Year

Children's love of learning and a student's enthusiasm for learning begins in the home. Parent involvement is crucial in and we greatly value the commitment parents make when choosing to homeschool their child. We believe partnering with parents to provide a solid foundation of knowledge that inspires a passion and confidence in learning is a great option for education for many students. Together, we create an environment where students who think critically, speak confidently, and achieve their individual goals is achieved and celebrated.

Each of our centers has approximately five parent coffees throughout the year. During these coffees, parents have the chance to meet other parents, discuss homeschooling issues and learn about new homeschooling resources, keep up with school events and give feedback on how things are going. We encourage our parents to attend and younger siblings are always welcome. Every center also receives regular communication about field trips, local community events, school fundraisers, seasonal book fairs, theatrical performances and school activities including club offerings which rotate on a regular basis.

Parents find these coffees/meetings to be useful and constructive. Every parent receives a student directory and teacher's and the Center Coordinator's email and cell phone numbers at the beginning of school. Every parent who comes to any of the learning centers are warmly greeted and received by the learning center's coordinator who is available to answer their questions and support their needs.

Parents are surveyed twice a year on all aspects of the school and school community and they are invited to attend an in-person round table discussion twice a year. Parent feedback is discussed at a staff meeting and options are discussed to implement needed changes based on parent feedback.

State Priority: Pupil Engagement

Last updated: 1/28/2016

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

School Safety Plan - Most Recent Year

2014-15 Emergency Plan

Trivium Charter School's Safety Plan.

Emergency Agency Phone Numbers - phone numbers are posted at each center given the location of the learning center

In case of Emergency - dial 911

- Fire Department
- Police Department
- Poison Control
- American Red Cross

Sign-in Procedures: (staff) on a Trivium Charter School Campus shall sign in at the designated location. They shall then be provided with a visitor pass that shall be worn in a visible location on their person. Upon departing campus they shall return the visitor pass and sign out. Other protocol may be followed for large school events on campus.

Fire: Immediate action: When smoke or fire is detected, or students hear the fire whistle/siren, evacuate the building following the instructions below, away from smoke or flames, according to the established route(s).

Evacuate the building: specifics are communicated to the staff site and students

Immediately upon reaching the evacuation area, teachers shall account for all their students by visually identifying each student and recording that observation on the attached Student Body Roll Call form. If, at any time in this procedure, it is discovered a student is missing, **DO NOT DELAY THE EVACUATIONS** name and last known location. Additionally, any visitors to the classroom shall evacuate with the class.

If safe, common areas (office, gymnasium, restrooms) shall be cleared by site staff. Additionally, the visitor log shall be taken to the evacuation area by site staff who shall then check with the corresponding teacher/staff member to ensure the visitor has been evacuated/accounted for.

Do not re-enter the building until emergency responding authorities or Site Coordinator/Administration has deemed it safe. Once the building is safe, re-enter in an orderly fashion. Lunch/Break Period/Out of Class Activities

In the event an emergency occurs when students are not in their classroom, the staff shall assemble the students in the south-west corner of the parking lot and await instructions from site staff.

Earthquake: Immediate action: Move away from windows, drop to the floor and take cover under sturdy table, desk or chair. Place one hand on the item of furniture you are under, and the other hand over the back of your neck for protection. Do not come out from under the furniture until all shaking has stopped!

Secondary Action: Follow the fire evacuation routes established above. Teachers will remain with their classes at all times.

Reverse Evacuation: If air quality is poor due to chemical accident, air pollutant, law enforcement actions, or nearby fire; re-enter the building immediately via the same staircases used in Earthquake or Fire evacuation. Close all windows. Remain in class until authorities or Site Coordinator/Administration has deemed it safe to exit. Teachers will remain with their classes at all times.

Lock-Down: If there is a local civil disturbance or threatening situation in the proximity of the school, the school will be secured. Class room doors shall be closed and locked, normal class activities may continue. Upon the circumstance being resolved by authorities and dependent on the specific circumstance, the school day may continue in routine fashion. If the circumstance dictates the school be closed, children will be released in the following manner: Parents must provide identification and/or call the school phone number to alert the staff that they are outside waiting for their child. An authorized parent or guardian may pick up their children at the main school entrance.

Intruder Response: Confidential plan in place.

Conduct: All staff are to encourage and/or assist students in remaining calm during an emergency to help ensure a safe and orderly exit to the designated area of safety, during what may be a time of stress or high anxiety. In order to hear instructions and respond to directions, students should remain quiet and attentive during the entire emergency process.

Student Roll Call: Verify with emergency responding authorities and/or Trivium Administration that all students are accounted for before re-entering classrooms.

Medical Emergency- Resuscitation Orders

WHEN A MEDICAL EMERGENCY OCCURS- IMMEDIATELY CALL 911. Trivium Charter School employees are trained and expected to respond to all emergency medical situations. If any student needs resuscitation, trained staff shall make every effort to resuscitate him/her. Trivium Charter School does not accept, follow, or recognize ANY parental "do not resuscitate" order. The School Director, or his/her designee, shall ensure that all parents/guardians are informed of this policy.

Types of Services Funded (Fiscal Year 2014-15)

Trivium provides after-school supplemental educational services to support and assist with enrichment and remediation assistance after the regular learning center day. In addition, we provide a number of approaches to support at-risk or under performing students. When a student is not making adequate academic progress with their ACE or homeschooling work, a Student Study Team consisting of the student, parent, classroom teacher and Trivium staff meet and formulate a Trivium Intervention Plan that lasts a minimum of four weeks. Student assignments and all work are closely monitored and the student receives remediation support as necessary. Our Homeschool Specialist provides homeschooling support and helps to personally tailor the homeschool curriculum for struggling students. Our teachers utilize a number of strategies for our students in their classes to promote academic progress including one-on-one instruction, peer-group tutoring, small group instruction, small cooperative learning groups, hands-on learning and project-based learning activities.

Professional Development – Most Recent Three Years

Trivium Charter provides professional developments and continuous growth for all certificated and classified staff members to acquire the necessary knowledge and develop professionally on a regular basis. Professional staff developments are delivered during selected staff meetings. Trivium promotes grade group collaboration by creating time in the schedule for grade groups to meet for a minimum of 2 hours twice a month. Our Guiding Team routinely collaborates with all staff to determine staff needs/desires for additional training. Trivium encourages all staff to participate in personal and small group staff development opportunities so that they may enhance their understanding of their role in student learning and achievement to better serve their students. Trivium believes it is important that all staff stay relevant and up-to-date with changes that may occur by attending conferences, workshops and collaboration sessions.

Below will describe the number of staff development days within the most recent three year period:

11/12 - 15 days

12/13- 15 days

13/14 - 15 days

14/15 - 15 days
