Dear Our Lady of Good Counsel School Families,

I would like to express the gratitude of our Faculty and Staff members for the privilege of serving your children with Catholic education. Thank you for being a part of our school ohana.

We continue to maintain what is necessary to deliver rigorous and relevant Catholic education. We look forward to continuing our work to provide you with great value for your investment as we work to keep up with the ever-changing trends of education. We are pleased with the various activities, service projects, extensive enrichment opportunities, and celebratory events we were able to add to this year's school calendar. These extra-curricular events supplement our academic curriculum and complement our school's mission. We are excited to continue these traditions that allow us to help mold our students to be well-rounded individuals.

The decisions regarding tuition are made with great care and study. We have worked really hard to try and limit the cost increase for our families. The Our Lady of Good Counsel Parish makes tremendous investments to support the school in operational expenses as well as academic programs and thereby helping to minimize increasing tuition costs. With growing resources, we sustain a quality academic program and continuously enrich the challenging, nurturing environment people have come to expect from our Catholic School.

Our Lady of Good Counsel School registration and re-registration begins now and we are proud of the strong interest in our school. Our Preschool and our Kindergarten programs seem to fill up quickly. It is important to us that our school families get first priority in registering. The registration form is included in this week's envelope. **We are asking that you return the Registration Form and payment by Friday, March 16, 2018.** This will allow us to attain much greater certainty concerning our budget for the coming year. We value the presence of all our students and families, so it is crucial that all be aware of this deadline as we would like to give existing families the first option to secure seats.

Mahalo for your partnership as we work together to educate the children that God has entrusted in our care. Please do not hesitate to call the office if you have any questions. We are looking forward to another great school year!

May God lead your path,

Mrs. Chantelle Luarca
Interim Principal
