Parents and/or Guardians,

I thought it to be prudent to share a few updates and reminders:

- All visitors will be asked a few identifying questions upon pressing the button for entry into the school. Many of you are familiar faces, but please bear with our staff as they implement this procedure in an effort to provide an even more secure learning environment for your children.
- Remind your child not to lend their chargers to their friends. They know this, but out of the kindness of their heart still help their friends. Sometimes this results in chargers coming up missing. When this happens, your child is still ultimately responsible for replacing the charger.
- Please speak with your children about the dangers and consequences of cell phone, social media, and internet use. It could benefit you to familiarize yourself with your child's activity on any devices they may have access to. Any activity referencing a threat of any kind at school should be reported to the school immediately. Student conflict over social media and other means beyond the school day that does not involve a threat at school should be dealt with at home by blocking the individual, reporting it to the various app developers (i.e. Instagram or SnapChat), or possibly filing a police report.

Thank you for your support in these matters!

Sincerely,

6330 Althorne Rd • Bartlett, TN 38134 • (901) 373-2642 • Fax (901) 373-1361
