

PARENTAL CONSENT FOR USE OF APPLICATIONS AND WEB-BASED SERVICES

Dear Rocklin Academy Parents,

The purpose of this consent form is to enable Rocklin Academy to continue to be able to provide your student with the most effective tools and applications for learning. To this end, we request that you carefully read the information in this form and provide your signature as consent to your child's use of educational websites and applications as described below.

Rocklin Academy utilizes several software applications and web-based services, which are operated by third parties. These third party companies are required to protect student privacy in accordance with state and federal law, including but not limited to, the Student Online Personal Information Protection Act (SOPIPA). The software applications and web-based services utilized by Rocklin Academy include, but are not limited to:

- Desmos - <https://www.desmos.com/privacy>
- Front Row - <https://www.frontrowed.com/privacy/>
- Khan Academy - <https://www.khanacademy.org/about/privacy-policy>
- Quizlet - <https://quizlet.com/privacy>
- Socrative - <https://www.masteryconnect.com/socrative/privacy.html>

In order for our students to use these programs and services, certain personally identifiable information, generally including but not limited to the student's name, must be provided to the web site or application operator. Under state and federal law, these websites must provide parental notification and obtain parental consent before knowingly collecting personal information from children under the age of 13. Additionally, if a student is over 13 and the website or application operator collects pupil information, we will need to obtain parental consent before allowing the student to use the service. Rocklin Academy will not knowingly use, with or without your consent, any program or service if the program or service sells or shares personally identifiable information beyond what is necessary to operate the program or service, in the case of a merger or acquisition, or as required by law.

We care about our students and their privacy, and as such, have reached out to various websites and application operators to inquire about their compliance with SOPIPA. However, with the many applications and websites available, we do not have the staffing available to ensure that all websites and applications accessed or used by students will be compliant with SOPIPA and/or other state and federal law.

By signing below, I, as a parent/guardian of the pupil named below, provide my consent for Rocklin Academy to provide access to educational, age-appropriate sites/applications. I understand this may require some personally identifiable information of my child to be provided to the educational, age-appropriate sites/applications, either by Rocklin Academy or by my child. Such information may consist of, but not be limited to, first name, last name, username, and student work and I provide my consent for this information to be provided when required to utilize the site/application.

Name of Pupil (PLEASE PRINT):	Birthdate:
-------------------------------	------------

I consent for the pupil stated above to use the apps and/or services as described above:

Parent/Guardian Name (PLEASE PRINT):	
Parent/Guardian Signature:	Date:
