

## TEACHER APPRECIATION

We love the staff here at ZMS and we want them to feel special and appreciated. There are several ways throughout the year that we show our gratitude for our incredible ZMS staff. Many of these events require baking or a trip to the bakery.

If you want to help with one of these events, please fill out a [Volunteer Form](#) and express your interest OR look for more information in the ZMS Friday blast and the PTO webpage.
