NOTARIZED AFFIDAVIT OF RESIDENCY REQUIREMENTS FORM #4 CONTINUED

Shared housing is defined as two or more families living at one address; a parent (student's family) and a primary resident. When two families live in shared housing, a notarized Affidavit of Residency must be submitted *every year*. Both parties must come in at least one time with their IDs to the District office. The primary resident no longer needs to come in with a parent after he/she has satisfied their proof of residence and has had his/her signature notarized. If school has not started, only complete packets including finished affidavits or approved transfers will be accepted during pre-registration.

A residence is defined by where a student lives on a full-time basis; or 50% of the time if sharing split custody. If at any time a student's residence is in question, the district will investigate. This includes home visits. If it is determined that false information was given to prove residency, the student will be disenrolled within 10 days of notification unless an Interdistrict Transfer to remain has been approved. Processing a transfer will not delay disenrollment.

Documents must be originals and monthly bills dated within the last 30 days.
