### Principal's Message

Welcome to the Donlon Elementary School website where you will find pertinent information regarding our school and upcoming events. As the principal of Donlon, I have the privilege of introducing you to our school where we continue to maintain a high tradition of excellence.

We are committed to preparing all of our students to lead happy, healthy, and productive lives. Our goal is to have all students strive to become informed citizens who are prepared to participate in a culturally diverse society. Our school's priority is to provide a safe learning environment where students are supported academically, emotionally, socially, and physically to reach their full potential.

At Donlon, we strive to provide students with a safe learning environment where they are supported and challenged academically. Our very dedicated and high qualified staff uses our strong standards-based curriculum combined with effective instructional strategies to meet the needs of our diverse student population. We use continuous assessment and data to inform our instruction and develop learning goals for our students. The school-wide use of the Lifeskills program provides members of our school community with the tools to create a sense of community in which there is a standard of excellence in all interactions that take place. As a school we are also implementing a transition to the PBIS program (Positive Behavior and Intervention System) which takes a lot from the Lifeskills program and develops a systematic approach to monitoring behavior. We also tie in our city and district wide adopted Community of Character Traits: Responsibility, Compassion, Self-Discipline, Honesty, Respect, and Integrity across the curriculum.

Parent and community involvement play an integral role in the success of Donlon. Our Parent Teacher Association (PTA) works closely with staff to support and enrich our school programs. We also work directly with outside community groups in providing our students with links to real life experiences. At Donlon, we are proud of the commitment by our students, staff, families, and community members in making Donlon a place where children thrive and are given multiple opportunities for success.

Sincerely,

Sebastian Bull

### Mission Statement

The Donlon community seeks to foster a strong partnership between home and school, creating a positive and challenging environment that meets the individual needs of all students as they meet or exceed rigorous state standards. We are dedicated to promoting integrity, honesty, self-discipline, responsibility, respect, and compassion.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

All textbooks used in the core curriculum at Donlon Elementary School are currently being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, October 13, 2015, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 2015-2016.05 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2015-16 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

### School Facility Conditions and Planned Improvements (Most Recent Year)

The district's maintenance department inspects Donlon Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Donlon Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on December 22, 2015. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2014-15, all restrooms were fully functional and available for student use.

The following projects were completed in the last 12 months.

- Added fencing to the south side of playground.
- Added gate on the north side of playground area to keep the campus secure.
- New emergency container purchased and installed on the south side of campus.
- Modifications to the parking lot for student safety.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Students with Disabilities	16	14	87.5	57.1

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2016-17)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school marquee, the school website, Parent Involvement Nights, eConnection, teacher email, PTA biweekly newsletter, and PTA Facebook page. Contact Becka Schnell at (925) 426-4220, for more information on how to become involved in your child's learning environment.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

The Comprehensive School Site Safety Plan was developed for Donlon Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan will be reviewed, updated, and discussed with school staff in August 2016 as part of the Staff Development Day.

#### Professional Development provided for Teachers

All training and curriculum development activities at Donlon Elementary School revolve around the Common Core State Standards. During the 2015-16 school year, Donlon Elementary School held staff development devoted to:

- Differentiated Instruction
- Addressing the Achievement Gap
- Special Learning Disorders
- EQUITY Training
- Common Core State Standards
- Data Analysis, Assessment, & Strategies
- Curriculum Training (Writing and Reading Workshop)
- Instructional Strategies for Engagement & Higher Level Questioning

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Donlon Elementary School supports ongoing professional growth throughout the year on minimum days and Wednesday morning collaboration sessions. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2015-16 school year, Donlon Elementary School's teachers attended the following events hosted by the Pleasanton Unified School District:

- Growing Readers in the 21st Century
- Supporting Students Through the SIP Process
- Lucy Calkins - Informational Writing and Reading Workshop
- Teachers College training for Pleasanton teachers
- Common Core State Standards
- Setting Measurable Goals for Struggling Readers
- Pearson Online Learning Exchange (OLE)
- Getting Started with Google Sites
- Technical Writing for Science Class
- Greater Good Summer Institute for Educators
- Learning Circles Seminar Series
- CHSSP (California History/Social Studies Project)
- Google in Education California Summit
- Report Card Training
- Making Math Visual
- Universal Design for Learning (UDL) and the Common Core Standards
- IntegratED Conference - Improving Education with Technology
- SuperSchool Science Seminars
- PBIS Training

Donlon Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

## **Types of Services Funded**

FY15-16

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2015-16 school year, the district received categorical, special education, and support programs funds for:

- State Lottery: Instructional Materials
- Educator Effectiveness
- Local Control Accountability Plan for Local Control Funding Formula: Technology, Instructional Materials, additional services for the disadvantaged
- Other Local: Locally defined
- Special Education
- Title I
- Title II
- Title III
- Vocational Programs

## **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
