RE: **Information available for public review:
Report on the Use of Developer Fees for 2015-16**

California Government Code sections 66001(d) and 66006(b) require school districts to report on the amount of developer fees collected each fiscal year and the manner in which they were spent. The district Board of Trustees will take up a report and resolution on this matter at its December 6, 2016 meeting. The report and resolution will cover the fees collected and spent for the 2015-16 fiscal year and will explain the anticipated use of the fund balance in the district's Capital Facilities Account.

The law requires that this information be available to interested parties and the public not less than 15 days prior to the meeting in which the report and resolution are approved by the board of trustees. The district has made this information available for public review on its website (www.mpusd.net) and at its Business Services office located at 700 Pacific Street, Monterey, CA 93940

Interested parties can also obtain additional information by contacting Diane Daguio, Business Services, 831-392-3908 or email at ddaguio@mpuds.k12.ca.us.

The December 6th Board of Education meeting will start at 5:30 p.m. at 540 Canyon del Rey. The meeting will take place in the Board Room. The public is welcome to attend.
