I have spoken with my parents/guardians. They understand that being an elected official means I may have to miss class to work on some of our fundraisers or activities, which may add to my work load. They feel my grades can sustain being absent from lessons once or twice a month.

Parent Signature: _____ *date* _____

I have spoken to my teacher. She feels I am a responsible student who can afford to miss some class time to participate in the Student Council. My behavior makes me a model student at our school.

Classroom Teacher Signature: _____
