

Welcome Parents and Athletes

Normal Park Museum Magnet School has partnered with PRIVIT®, an Ohio based company, to automate the process for the management and collection of health forms required for athletic participation. We are excited to introduce a new and easier process for completing the health history forms required before sport participation, called Privit Profile™. Privit Profile™ replaces the paper-based forms with an electronic solution for submitting and managing health information. Privit Profile™ is compliant with international privacy laws, including HIPAA and COPPA, ensuring your child's information is secure.

Privit Profile™ helps increase the health and safety of athletes, and enhance the security and accessibility of the health information when needed.

The three major benefits of using Privit Profile™ are:

1. Simplifies the pre-participation process - Paper to Privit Profile™

- Easy to complete the health history and all other forms on any smart phone, tablet, or computer.
- Review/Complete/Update the information at anytime.

2. Improves Athlete Safety and Reduces Risks

- Comprehensive health history pinpointing any factors that might contribute to injury.
- Real time health information available on the sidelines.

3. Ensures Privacy and Availability of any Athlete's Health Information

- Accessible to only parents/guardians and authorized school personnel.
- Parents/Guardians and athletes can use completed information for other activities/organizations.

By using Privit Profile™ to manage your child's information, the biggest benefit will be in subsequent years because you will only have to update the information in Privit Profile™ as opposed to completing all the paper-based forms again.

If you have any questions regarding Privit Profile™, please contact your school/organization or PRIVIT Help Center, at 844-234-4357, Monday-Friday 8:00 AM – 5:00 PM EST.
