Recognitions and Reports

★ Each month two BHS Seniors are selected by the teachers as “Students of the Month”. The students are identified for their academic and leadership abilities and achievements, but most of all for exemplifying Spirit, Pride, and Honor at Burnet High School. The students then choose a faculty member that has been a great influence during their time at BHS to introduce them at the Board meeting. September Students of the Month Kaygen Floyd and Dillon Crain were selected by the English department. BHS teachers Salye Coles and Betty Sue Smallwood introduced Kaygen and Dillon, speaking of the many areas where they shine, both inside and outside of the classroom. The teachers said these two are prime examples of Spirit, Pride, and Honor at BHS. Pictured are BHS Principal Casey Burkhart, Mrs. Smallwood, Dillon, Kaygen, and Mrs. Coles.

★ Grayson Jaynes and Wrigley Mulhollan were recognized as the 2015-2016 Shady Grove Elementary Readers of the Year. This award is based on a matrix designed to assign points for quality as well as quantity. Their names will join the past Readers of the Year on a statue donated by former Burnet Elementary PE Teacher Susan Collier.
