Welcome to Cheney High School! At CHS, we place a high priority on quality work, school pride, and mutual respect among our students, staff, and community. Much of our success can be attributed to the support we receive from our parents, many of whom also graduated from Cheney High School. All of us, parents, students, staff, and community, are an integral part of our academic and extracurricular success, and we hope we can continue to count on such outstanding commitment for years to come.
