

March 2, 2018

Dear Eighth Grade Parents,

We are so excited to welcome your family to Palos Verdes High School! We are eager to assist you through this important transition for your student and invite you to attend an informational presentation. The purpose of this evening is to support you in acclimating to our school and its various programs.

The presentations will begin in a large group where DJ Fuller of Flourish Minds will discuss how to help your student maintain a balanced and healthy life in high school. This will be followed by a small group presentation with your student's counselor, where you will learn about selecting courses for your student's freshmen year. At this presentation, you will also receive a copy of the PVHS Educational Planning Guide and the PVPUSD Course Description Handbook. These two informative documents will assist you and your student in critical decision-making during his/her high school experience.

Two informational presentations will be offered, allowing parents to choose to attend the presentation time that is most convenient. Please note that these presentations are for parents only. The same information will be presented to the students when PVHS counselors provide orientation at the intermediate schools on the following dates

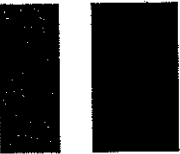

March 27th –PVIS
March 28th – MIS
March 29th – RIS

The dates for the parent presentations at Palos Verdes High School are the morning and evening of March 21st. Please see the attached flyer for details regarding the times and locations of the presentations.

We look forward to seeing you and working with you and your family in the coming years.

Sincerely,
Danny Barbara

Danny Barbara
Associate Principal, Counseling and Guidance
Palos Verdes High School
