Uniform Survey

We are currently evaluating our relationship with Dennis Uniform. We have been talking to a company that provides the same quality of materials (they get their fabric from the same manufacturer), have more sizing options and are a bit less expensive than Dennis. This company is only online; however they would provide several opportunities to come to the school and have your students try on uniforms for sizing and proper fit.

Below is a link to a very brief survey. Please let us know how your experiences with Dennis Uniform have been and your thoughts on moving to a new company.

The Lost and Found gets donated next week. Please check if your student is missing something. Currently there are several jackets and a student's retainer.

Also, some spirit sticks were found on a cross keychain near the church. If you think they belong to your student, stop by the Development Office.
