

Student-Led Conference FAQs

Do students need to have all of the WOIS requirements completed and show that they've uploaded them during their conference?

Yes, they should log in and show you the file management section on WOIS, but do not need to show you any of the individual uploads or assessments other than what is listed on the SLC checklist.

Please confirm that they have the following items uploaded:

| 9 th grade WOIS requirements | | 10 th grade WOIS requirements | | 11 th grade WOIS requirements | |
|---|---|---|---|--|---|
| | Best works - at least one per semester and for every on-site class | | Best works - at least one per semester and for every on-site class | | Best works - at least one per semester and for every on-site class |

Do all the community service hours need to be completed by the time of the conference (for 10th and 11th graders)?

Students should have completed a minimum of 5 of the 10 hours for Service Learning with a plan for the other 5 hours. If the 5 hours have not been completed or the plan for the other 5 is not in place, no signature on the check sheet.

What if the students did not meet all the requirements?

Let the students with unsigned sheets know that they need to schedule another student led conference with Mr. Olgard prior to the end of the school year. Failure to do so will mean students cannot register for next year.

What should the advisor turn in?

Please bring this form to the office with a copy of the student's homeschool transcript. You do not need to collect anything else from the student.
