

## RIDGEVUE HIGH SCHOOL JUNIOR COURSE OFFERINGS 2017-2018

Ridgevue High School will make every effort to schedule students into requested courses. Please choose courses carefully because schedule changes may not be possible. Please refer to the Online Course Handbook at <http://sites.google.com/a/yallivue.org/ridgevue-high/> for course descriptions and special requirements.

*\* This course has pre-requisite or co-requisite requirements. Please check the Course Handbook carefully for details. Students who attempt to register for classes that they are not qualified for will be enrolled in one of their alternate courses instead.*

*\*\* This course requires the instructor's permission. Please obtain permission before attempting to register for this class.*

<b>AGRICULTURE</b>			<b>DRAMA</b>			<b>MUSIC (Cont)</b>

## 2017/2018 Course Registration Instructions – JUNIORS

✍ If you have failed a class and need to re-take this class, please include this class on your Courses Requested worksheet. Be sure to either print or view your transcript online to ensure scheduling the correct courses.

✍ Most advanced courses require pre-requisites. Please check the courses marked with an asterisk on the reverse side of this sheet. Check the course description in the Course Description Handbook to determine the pre-requisites. If the course requires teacher approval, please see that teacher to get his/her initials on the form prior to registration for the course.

✍ After you and your parents have decided on your courses (you should have completed the worksheet and received any approval needed), have a parent sign the worksheet and hand it in to the counseling office on or before **March 15, 2017**.

✍ The master course schedule and teachers hired are assigned according to student requests. **Therefore, students WILL NOT be allowed to change classes once they've registered except for extenuating circumstances, such as: Medical exemptions, change in marital status, failure in a pre-requisite class, teacher recommendation to move to a more or less advanced class, changes in a student's IEP, master schedule changes which require a student schedule change. Changes will not be made for teacher and/or time of day preferences.**

✍ ALL lines must be completed for a full seven-period day. Include two alternate courses in the event requests cannot be satisfied.

### COURSES REQUESTED WORKSHEET

Name \_\_\_\_\_ Student ID # \_\_\_\_\_ Grade NEXT Year: 11

SEMESTER 1		SEMESTER 2	
Course Name	Teacher Initials (If needed)	Course Name	Teacher Initials (If needed)
