

When it rains, pollution such as litter, pesticides and household chemicals eventually end up in the ocean. This affects all of us because water is essential for life here in Hawai'i and we spend a lot of time playing in the ocean or eating seafood from the ocean. As a community, we can work together to make sure that our water resources are protected.

SPRING PICTURES!

Portraits of Hawaii offers a unique spring pictures program where you will be able to review a selection of your child's portraits before purchasing. If you decide to purchase, you simply return the proof envelope with payment. Please make sure your child DOES NOT wear green clothing. Please see schedule below.

Thursday, February 22, 2018

PARENTS & GUARDIANS...
School Quality Survey

Our students in Grades K-6 were sent home with a SQS Survey. If you received the SQS Survey, we are counting on you to voice community opinions about our school. The survey responses are strictly confidential. It is important for you to help our school meet the community needs by doing the survey. Thank you!
