

STAAR TEST 2017

Confidential Student Report

Dear Parents,

You have the opportunity to see your child's STAAR assessment scores for this year online by following the instructions below:

Go to: <https://www.texasassessment.com/>

Click on "Where is my Unique Access Code?" Which will ask you to leave the current site...click "OK"

Click on "Lookup Access Code"

Enter Student's Name

Enter "PEIMS ID" which is your student's Social Security Number

Enter Child's "Date of Birth"

Click "Go"

Once you have your student's access code, Copy and Paste this code back to the Texas Assessment.com Website to "Log in to Student Portal" which will ask you to leave the current site...click "OK"

In "Access Code" paste your student's access code.

Enter Date of Birth

Click "Go"

You can click on the individual results for each test your child took in the Spring of 2017. Passing scores are in the "Approaches, Meets or Masters" categories.

The school district will not receive paper scores for your child until later this summer, so this is a way to access your scores now rather than waiting.
