Habit of Minds:

Thinking about your thinking
Know your knowing! Being aware of your own thoughts, strategies, feeling and actions and their effect on others.

Reflective

They give thoughtful consideration to their own learning and experience. They are able to assess and understand their strengths and limitations in order to support their learning and personal development

**Please make sure to
pick up Independent
Study if your child is
absent from school.
This makes sure the
absence is considered
excused and helps his/
her class earn rewards.**
