

0155 - Board Committees

The Board of Education authorizes the creation of committees of Board members charged to conduct studies, make recommendations to the Board, and act in an advisory capacity. Committees are not authorized to take action on behalf of the Board.

The President shall appoint Board members to serve a one-year term on the following Board standing committees. Members of a Board Committee shall serve the complete committee term unless the Board, at the motion of the President, votes (by a majority) to remove a committee member from the committee:

1. Finance
2. Negotiations
3. Program
4. Property
5. Policy
6. Administration, Board, Staff Committee
7. Student Liaison Committees

An ad hoc committee may be created and charged at any time by the President or a majority of the Board members present and voting. The President shall appoint members to any committee so created and charged; members shall serve until the committee is discharged. Each ad hoc committee shall automatically terminate on December 31 of each year unless earlier discharged by the President and a majority of the Board members (including the President) present and voting, but any ad hoc committee terminated or discharged may be reinstated by creation and charge as provided above.

Committees shall consist of no more than four Board members. A member may request or refuse appointment to a committee; a member's refusal to serve on any one committee shall not prejudice his or her appointment to another committee.

A chairperson shall be appointed by the President. Committee meetings may be called at any time by the committee chairperson or when a meeting is requested by two members of the committee.

Committee meetings shall not be open to the public, except that a majority of the committee or the chairperson may open the meeting to the public or invite persons whose knowledge or expertise may be useful to the committee.

When requested, the Superintendent of Schools shall designate an administrative officer to be the liaison between each standing, special and ad hoc committee and the school administration and for providing such committee with information requested by the committee through its chairperson.
