School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district's core values of safety and excellence are manifested in our commitment to provide the best maintained and cleanest facilities possible.

School site inspections are conducted on a regular basis to assess cleanliness and safety at all district sites.

Work associated with the district's measure R 2006 bond program is near completion. During the 2013-2014 school year, extensive renovations took place at many of our district schools. These renovations included:

- New casework in classrooms
- Replacement of underground infrastructure
- Upgrades to landscaping
- Removal of unsafe concrete walks and installation of new ones
- Electrical upgrades
- New intercom systems
- New door hardware for enhanced security

Regular pest control operations including pesticide applications are ongoing. All such work is performed in strict accordance with applicable regulations.

Ongoing assessment of site cleanliness is performed by the district's facilities and custodial manager. This process includes evaluation of new cleaning products, equipment, and procedures.

Maintenance work is timely, with health, life, and safety issues taking the highest priority.

Accommodations made for new testing assessment centers for common core.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	31	35	51	49	48	48
Mathematics (grades 3-8 and 11)	23	28	39	39	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	268	265	98.88	35.09
Male	134	133	99.25	29.32

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
Female	134	132	98.51	40.91
Hispanic or Latino	260	257	98.85	34.24
Socioeconomically Disadvantaged	250	247	98.8	33.6
English Learners	182	181	99.45	29.83
Students with Disabilities	29	29	100	3.45

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	268	265	98.88	27.55
Male	134	133	99.25	22.56
Female	134	132	98.51	32.58
Hispanic or Latino	260	257	98.85	26.46
Socioeconomically Disadvantaged	250	247	98.8	26.72
English Learners	182	181	99.45	22.65
Students with Disabilities	29	29	100	6.9

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	23	13	59	53	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	17.9	26.9	10.4

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Contact person, Program Specialist -phone number: (626) 965-2404 ext.1703

As their children's first and most important teachers, parents are involved and supported as participants in home-learning activities, including supervising assigned homework, daily reading, and family discussions that reinforce or enrich children's classroom learning. Parents are invited to support their children by attending parent conferences and workshops, student performances, parent meetings or events, assemblies, and sports events. Programs and opportunities for parent involvement include:

- Northam PTA: Our Parent Teacher Association is dedicated to promoting our students' well-being and personal success through strong parent, family, and community involvement, sponsored activities and fundraising. Our PTA brings into closer relation the home and the school as Northam parents and teachers cooperate to ensure a goal of a quality education and a nurturing environment for every child.
- School Site Council, English Learner Advisory Committee, GATE Parent Advisory Committee: The school site council and advisory committees play an important role in decision-making, providing input on goals of the school and evaluating the school's progress toward those goals.

*Parent Break Club: Northam's parent break club is held every Wednesday morning. Parents participate in an array of activities and workshops that involve healthy living and ideas for assisting their child at home.

*Parent Workshops: Parent learning opportunities are offered throughout the school year. Parents participate in events like: The Parent Leadership Institute and Parent field trips to local universities and libraries (community mapping).

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2017-18)

Once again, the California Department of Education's Safe Schools Assessment Program has designated Rowland Unified as among the safest school districts in the East San Gabriel Valley. As one of the district's core values, student and staff safety is kept in the forefront of all decision-making.

Northam Safety Plan was reviewed, updated and discussed with school faculty in August, 2017 and school advisory boards and councils in October, 2017. The Plan is approved annually by the Board of Education in March.

Northam maintains a closed campus that is secured with fencing. All gates around the school are locked during the school day. Students enter and dismiss through the front GATES. Staff is visible at all time. An up-to-date phone system, fire alarm, intercom, cameras and other communications systems have been installed at Northam School.

The phone system gives teachers the ability to make outside calls to parents, and emergency support services when needed.

Check-in procedures, combined with one-way access through the school office, limit the number of visitors on campus. A parent sign-in and sign-out procedure assures student safety.

Our commitment to safety is further evidenced by:

- Strong partnerships with law enforcement agencies through Operation Safe Community.
- Ongoing training and practice drills keep staff attuned to crisis warning signs.
- Campus peace officers patrol schools and District facilities before, during and after school at all school and/or District-sponsored events.
- Northam is a closed campus; security fencing ensures students are safe and secure on school grounds. Check-in procedures, combined with one-way access through the school office, limit the number of visitors on campus.
- School site safety plans safeguard the well being of students and staff. Northam school maintains a safety plan, conducts monthly routine safety drills and facility inspections, and maintain emergency supplies for students and staff.
- New phone, fire alarm, intercom and other communications systems have been installed at all schools. The new phones allow teachers to call outside numbers - including 911 - in the event of an emergency.
- Strictly enforced dress code policies keep students focused on the business of learning.

Types of Services Funded (Fiscal Year 2016-17)

The Rowland Unified School District promotes, expects, and accepts nothing short of excellence. We have a collective commitment to be the best school district in California and provide comprehensive, well-rounded, and rigorous educational experiences to all students, which are supported by engaging teaching strategies.

These include but are not limited to the following:

Gifted and Talented Education - Students who are identified as gifted and talented are provided with academic enrichment activities and classroom work as well as differentiated instruction and leadership development. In addition, the district hosts special GATE parent education sessions and educational field trips.

Advanced Placement classes - a variety of arts-related activities, honor societies, after school clubs, academic competitions, and Certificate Programs are among the offerings available for high school students. International Baccalaureate - Rowland Unified School District now has over 500 students enrolled in the IB program.

Last year many students from Rowland and Nogales High Schools completed the requirements and had the honor of being RUSD IB diploma graduates.

Family Resource Center (FRC) - The FRC provides an array of social services such as parent education, provider education, and parent and child interactive programs, along with health and support services.

6th Grade Algebra - This program, which earned a California School Board Golden Bell Award, readies students for advanced math in intermediate and high school. Algebra is a graduation requirement. Students who take Algebra early have the flexibility in their schedule to take more Advanced Placement (AP) and/or International Baccalaureate (IB) courses when in high school.

Transitional Kindergarten - Transitional kindergarten allows for pre-kindergarten age students to receive instruction in a classroom that is commensurate with their age and ability level.

Technology - Access to technology is woven into the curriculum, and the graduation requirements. Most classrooms have computer stations, as well as other technology that supports classroom learning. Structured computer lab time ensures that students are well-versed and practiced in using today's technology for homework, classroom projects, and research.

M.I.N.D. Institute - A research-based K-4 math literacy program that integrates music (electronic keyboard instruction) and math video games to teach complex, abstract math concepts.

Advancement Via Individual Determination (AVID) - a college preparatory program that holds students accountable to the highest standards and provides academic and social support. AVID brings research-based curriculum and strategies to students each day that develop critical thinking, literacy, and math skills across all content areas.

Community Day School - Small class sizes enable teachers in RUSD's three Community Day School classrooms to provide personalized instruction to students, in grades 7 through 12, who have discipline/attendance problems. This class format enables students to improve their grades, make up credits, and improve their school attendance and return to their home school.

Summer School Programs for students at the Elementary and Secondary levels.

Supplemental educational services (SES) were provided under a school's federal accountability PI status. Additional academic instruction was provided outside of the regular school day and designed to increase the academic achievement of students attending these schools.

Professional Development (Most Recent Three Years)

The Rowland Unified School District’s major areas of focus for professional development are the District’s Essential Priorities for Teaching and Learning: Strengthen Best First Instruction and RTI 2, Implement Districtwide Agreements about Efficacious Instruction, Build Cultural Proficiency Across the System to Foster and Sustain Literacy Improvement for Whole Systems Change. The major professional development initiatives include focusing on 21st century skills as the overarching premise while developing the following:

- Unpacking the Next Generation Science Standards
- Defining First Best Instruction through the RUSD Framework for Efficacious Instruction and training on skills-based and inquiry-based models
- Integrating Technology into Instruction Reflecting on and Improving Practice through Instructional Rounds
- Providing New Teacher Support
- Implementing Literacy Interventions of iRead and System 44 Expanding Advancement Via Individual Determination Program training

The professional learning described includes processes and structures to promote organizational learning and connectedness. Instructional coaches support TK-12 teachers, site teams, and site leadership with modeling of lessons, supporting through the coaching cycle, planning lessons, reflecting on lessons after delivery, lesson design, and incorporating best practices and research based effective learning strategies.
