School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

School Description

Buena Terra School is located in the city of Buena Park, California and is part of the Centralia School District. Buena Terra serves approximately 504 students in grades K-6 with approximately 22% of these students designated as limited English proficient and 57% socio-economically disadvantage. Students are provided a comprehensive curriculum including language arts, mathematics, history/social science, science, visual and performing arts, physical education and health. A computer lab and learning center provide additional educational opportunities for our students. Classrooms are equipped with integrated technology systems to engage students in learning. The school lab provides access to Study Island, Accelerated Reader, and other instructional programs for students in kindergarten through second grade. Buena Terra is committed to meeting the needs of all students through explicit direct instruction and differentiated instruction. With input from the School Site Council, the staff continues to implement the District's model for a Comprehensive School Based Coordinated Plan that focuses on measurable objectives for program improvement and student achievement while building on an analysis of the previous year's data. Our curriculum and instructional focus for the next few years will be directed toward the implementation of the new California Common Core Standards. Buena Terra is a proud recipient of the California Business for Education Excellence Honor Roll School.

At Buena Terra, we provide a warm, welcoming culture for students, teachers, parents, and community. Parents are encouraged to volunteer in the school, are invited to Principal Chats, and are kept up to date with weekly messages. Parents and community members feel a part of the school and we have been able to expand events and services provided to the Buena Terra family. Our PTA has won numerous City awards for participation in City events. We are proud of our active participation by parents with large numbers of parents volunteering in the classrooms.

Mission Statement

"The staff, students, parents and community of Buena Terra Elementary are committed to the concept that all students will achieve and become life long learners by reaching their potential through a rigorous, standards based curriculum. All students will be equipped to participate in a democracy as effective, informed citizens and be prepared to join a culturally diverse society."

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: December 2015

Sufficient state-adopted and standards-aligned textbooks and instructional materials are available for each pupil, including English learners. These are consistent with content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas.

Resolution Date: 08/11/15

In 2011, the Governor and State Legislature extended the suspension of State Board of Education (SBE) adoptions of instructional materials until the 2015–16 school year (Education Code Section 60200.7). At this time the State has adopted frameworks for English Language Arts/ English Language Development, and math which will assist in our implementation of California's Common Core State Standards. We are currently piloting State Board of Education adopted (January, 2014) instructional materials for math to reflect the rigor of the California's Common Core State Standards, teachers are developing curricula units, and various resources are provided as additional instructional materials. The State Board of Education adopted ELA/ELD instructional materials in November, 2015 and will direct our pilot.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe and functional. The Schools Facility Good Repair Checklist provides information about the condition of the school's grounds, buildings and restrooms. All inspected items were in good condition.

Age of School Buildings

Buena Terra School was built in 1955 and occupied in 1956. It is located on 10 acres. There are 23 classrooms, as well as a multipurpose room, a computer lab and an office complex.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A total of 188 work orders were processed and completed during the duration of the school year. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

In the evenings and during the day, a team of two custodians ensures classrooms, restrooms, and campus grounds are kept clean and safe. As responsible members of the community we take pride in our school environment by maintaining a clean, safe, and well-groomed campus.

Deferred Maintenance Budget

The district funds the School Deferred Maintenance Program, which funds expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor systems, and asphalt.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

The Centralia School District welcomes and values parental involvement in District and school programs. During the 2015-16 school year, CESD continued Local Control Accountability Plan (LCAP) process. This new funding process requires school districts to engage parents, teacher, employee groups, and the wider community to be a part of the development of the LCAP. Informational meetings were held with various stakeholders including Board members, parents, PTAs, and advisory groups (DELAC, GATE, PTA). An LCAP committee was formed that included representatives from each stakeholder group. The culmination of the LCAP committee was the adoption of the LCAP by the Board of Trustees. The LCAP represents an opportunity to further strengthen the commitments between our District and our community on behalf all of students.

Opportunities for Parental Involvement:

Many family and community members volunteer at the school and participate as decision makers. Buena Terra is unique in that the community involvement is endless and the students feel the support and encouragement they need to be successful.

District English Language Advisory Committee; District GATE Advisory Committee ; School Site Council, English Language Advisory Committee: PTA; PTA-sponsored activities including Family Nights, Parent/Child events, Home-to-School Reading Incentive Program, Storytime Evenings, Book Fair, Carnival and much more. Our parents volunteer on a daily basis and work in the classrooms as well as in the office.

Contact Information:

For additional information about organized opportunities for parent involvement at our school, please contact the school principal, Dr. Nguyen or PTA President Araceli Garcia at (714) 228-3220.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2016-17)

Safety of students and staff is a primary concern of Buena Terra Elementary. The School Site Action Plan was developed by the Site Safety Committee and the School Site Council with input from the School Safety team. The safety plan is reviewed and revised annually by all groups. New goals and tasks are added as necessary. The 2015-16 goals of our Safe School Action Plan include the following goals:

Component One: People and Programs

Goal #1: Buena Terra School’s climate shall reflect respect, tolerance and pride for diversity of culture, ethnicity, and philosophy. It is a place where students demonstrate strong academic progress, follow school rules and develop responsibility for their learning and respect for themselves and their school.

Objectives:

1. 100% of students will follow safe school rules.
2. Provide increased opportunities, for students to become actively involved in their school and increase students’ sense of connectedness.

Goal #2: Buena Terra School provides for the safety of students and staff through a well-planned and implemented crisis response plan.

Objectives:

1. To train staff, students, and parents in crisis response procedures with 100% of the staff clear on all emergency response procedures, practices, and responsibilities.
2. Ensure that the school has all necessary supplies in the event of an emergency.

Component Two: Physical Environment

Goal #1: Buena Terra School provides a secure campus with careful monitoring and supervision of all areas to ensure student safety and adherence to rules.

Objectives:

1. 100% of non-staff persons on campus are easily identified as authorized to be on campus.
2. To ensure that the playground is a physically safe place for all students.
3. Maintain clean and safe bathrooms
4. Provide safe parking lot procedures for efficient student drop off and pick up.

Goal #2: Buena Terra School’s climate shall provide an emotionally secure learning environment for all students.

Objectives:

1. 100% of the classrooms at Buena Terra School are emotionally safe for students
2. The playground is an emotionally safe place for 100% of the students.
3. Buena Terra staff will participate in on-going training to effectively address the needs of our site in case of emergency/crisis.

Centralia School District has developed a Disaster Plan for emergencies. Staff members are in-serviced and assigned responsibilities for plan implementation. The school and District participate in the annual California Shake Out earthquake drill each October. Fire evacuation drills are held monthly. The school maintains a Safety Committee and it meets minimally four times a year to review safety issues, plan staff development and makes recommendations for improvement.

The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year.

Date of Last Review/Update: December 2015

Date Last Reviewed with Staff: January 2016

The Centralia School District's Board of Trustees reviews the School Safety Action Plans plans annually by March 1.
