

2312 – Class Size

The Board of Education directs that the number of pupils assigned to any one class be governed by considerations of instructional quality and economy of operation. Guidelines concerning the number of students that shall normally be assigned to regular classes shall be established by the Superintendent. Guidelines shall take into account the grade level and/or subject matter, type of instruction, ability of pupils, availability of aides, and use of special facilities and equipment and may be waived to accommodate the demands of a temporary increase in enrollment.
