About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2012-13 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at www.cde.ca.gov/ta/ac/sa/. For additional information about this school, please contact the school administration at (714) 962-2451.

School Description

Our mission as the Eader School community is to provide a safe and appropriate environment in which ALL students LEARN. WE do this by working as a team and by modeling our expectations. Eader students will reach their individual potential in order to be an asset to society.

"It's a great day....to be an Eader Eagle!"

An exemplary school provides a warm, inviting climate which enables students to enjoy their elementary school experience and results in a shared sense of pride in the school. At Eader School, the following commitments guide our actions toward our shared vision:

1. All students can learn and achieve high standards of learning.
2. Students need to not only develop a deep understanding of essential knowledge and skills, but also need to develop the capacity to apply their learning, and to reason, solve problems, and produce quality work.
3. Each student is a valued individual with unique physical, social, emotional, and intellectual needs.
4. A safe and supportive learning environment promotes student achievement.
5. The development of the curriculum, design of instructional activities, and the use of assessment measures are focused on providing learning opportunities and feedback systems that enable students to achieve success.
6. The allocation of our resources (e.g. staffing, time, instructional resources, facilities, financial resources) in alignment with our mission and goals helps to maximize the opportunity for students to learn and experience success in schools.
7. Effective collaboration and communication with families, as partners in the education of their children, is essential to the success of our school.
8. Teachers, administrators, parents, and the community share the responsibility for advancing the schools mission and goals.
9. Diversity enriches our school through the recognition of the contributions of a variety of ideas, values, and cultures.

Eader School is a pre-school through fifth grade elementary school providing a stimulating quality educational program for 719 students, including pre-school, three special day classes, twenty regular education classes, a resource program, GATE cluster classes, and English Learners program on a traditional school calendar. Eader's fee-based preschool program focuses on literacy and arts education. Eader staff implements standards-based education while responding to the individual needs of students as measured by state and local tests. Student progress monitoring is reviewed regularly with curriculum-based measures, trimesterly with local measures, and annually on statewide exams. Programs unique to Eader are the MIND Institute, which is a spatial-temporal reasoning math program, K-5 Music Program, Beckman Science Kits (ScienceWorks), and Cognitively Guided Instruction (CGI), Thinking Maps, Write from the Beginning, and CATCH-PE which supplement our district-wide adoptions in English/Language Arts, Math, Science, and Social Science. Teachers have been trained in Direct Interactive Instruction, a delivery system which ensures optimal instruction. Technology improvements have been made with the installation of fiber optic lines to increase bandwidth, hub systems to increase computer to student ratio, SMART Boards and docucameras in classrooms to increase access to online resources. Our outstanding parent involvement supported by our PTA, extends student learning and community building activities such as the Family Fall Festival, Family Tile Night, field trips, assemblies, and Art Masters to name a few. Volunteers log in over 15,000 hours to programs such as Surf Tales, math centers, reading centers, organizing school and community fundraisers, and contributing to decision-making committees. The school is located in the southeastern section of Huntington Beach. The boundaries for Eader School include the Santa Ana River to the east, Atlanta to the north, Magnolia to the west, and Pacific Coast Highway to the south. Eader School has served the community since 1966.

Schoolwide goals for 2012-13 are:

- 1) Improve student achievement in ELA and Math by improving instructional strategies, targeted interventions, and using data to guide instructional decisions.
- 2) Improve student achievement in science.
- 3) Improve student achievement for under-represented groups - English learners, Hispanic, Students with Disabilities, and Socio-economically disadvantaged students.

Opportunities for Parental Involvement

Parents and the community are very supportive of the educational programs at Eader School. The PTA and the Huntington Beach Education Foundation have made generous contributions of time and money to numerous programs and activities. PTA fundraisers enable the school to offer programs in art, music, and reading, and they also enrich classroom learning experiences through donations which support assemblies and field trips, and/or purchase instructional supplies. Parents volunteer in classrooms, coordinate student and community programs and events, and participate in school governance through School Site Council, as well as district committees. PTA sponsors educational and social awareness opportunities for parents and the community, such as Traffic Safety, National Common Core Standards, and other topics of interest as they arise from the community.

Student Enrollment by Grade Level	
Grade Level	Number of Students
Kinder.	104
Gr. 1	102
Gr. 2	134
Gr. 3	93
Gr. 4	106
Gr. 5	80
Total	619

Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	0.9
American Indian or Alaska Native	0.2
Asian	4.9
Filipino	0.8
Hispanic or Latino	13.6
Native Hawaiian/Pacific Islander	0.3
White	71.7
Two or More Races	7.6
Socioeconomically Disadvantaged	14.6
English Learners	3.8
Students with Disabilities	10.3

Average Class Size and Class Size Distribution

Year	Average Class Size			Number of Classrooms*								
	11	12	13	1-20			21-32			33+		
				11	12	13	11	12	13	11	12	13
Kinder.	28.5	28.3	29.7	0	0	0	4	4	4	0	0	0
Gr. 1	28	32	29.1	0	0	0	3	5	4	0	0	0
Gr. 2	30.3	29.3	31.1	0	0	0	3	3	4	0	0	0
Gr. 3	31	29.7	32.0	0	0	0	2	3	3	0	0	0
Gr. 4	33.3	32	32.1	0	0	0	0	1	3	3	2	1
Gr. 5	32	27.5	33.3	0	0	0	1	4	3	0	0	2

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area, English, Math, Science and Social Science (SS), rather than grade level.

Suspensions and Expulsions

Schoolwide	10-11	11-12	12-13
Suspensions Rate	1.11	1.10	.16
Expulsions Rate	0.0	0.0	0.0
Districtwide	10-11	11-12	12-13
Suspensions Rate	4.23	4.8	3.33
Expulsions Rate	0.09	0.1	0.0

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

Many people visit the campus to volunteer in the classroom and participate in school events. Parents and visitors are welcomed and required to check in at the school office upon arrival and obtain a visitors badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, playground supervisors and teachers monitor students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive Safe School Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. The school evaluates the plan annually and updates it as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and district staff in the fall, at the start of each school year.

The district progressively addresses structural needs at each school to ensure facilities are safe and comply with education codes as well as building and safety regulations. The school has also implemented Positive Behavior Interventions and Supports (PBIS), a research-based school wide expectation program, to address school climate.

School Facility Conditions and Planned Improvements (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: August 27, 2013

Eader School, constructed in 1965, consists of nine separate buildings including an administration building with office and library, a multipurpose room, seven classroom buildings with 24 classrooms and a computer lab. The site has 8 portable classrooms added in the 1980's and a YMCA portable building used for before and after school child care.

This site has been retrofit with energy efficient interior and exterior lighting.

Improvements completed during 2012-13 included interior painting of ten classrooms, exterior siding repair and painting of four portable classrooms, major roof maintenance on the Administration Building, Building 9 and the MPR, new roofs on three portable buildings, and replacement of a 40 foot storage container.

Facilities are inspected continuously by custodial and maintenance personnel and work orders are submitted as needed.

School Facility Good Repair Status (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

School Facility Good Repair Status				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	[X]	[]	[]	
Interior: Interior Surfaces	[X]	[]	[]	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	[X]	[]	[]	
Electrical: Electrical	[X]	[]	[]	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	[X]	[]	[]	
Safety: Fire Safety, Hazardous Materials	[X]	[]	[]	
Structural: Structural Damage, Roofs	[X]	[]	[]	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	[X]	[]	[]	
Overall Rating	Exemplary	Good	Fair	Poor
	[]	[X]	[]	[]

Teacher Credentials			
Schoolwide	10-11	11-12	12-13
Fully Credentialed	25	26	26
Without Full Credential	0	0	0
Teaching Outside Subject Area	0	0	
Districtwide	10-11	11-12	12-13
Fully Credentialed	♦	♦	279
Without Full Credential	♦	♦	0

Teacher Misassignments and Vacant Teacher Positions at this School			
Schoolwide	11-12	12-13	13-14
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

All training and curriculum development at Eader School revolves around the California State Content Standards and Frameworks. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

Huntington Beach City School District regularly collaborates with all levels of district and school site staff when developing professional development activities in alignment with the No Child Left Behind Improving Teacher Quality Expectations. Instructional program improvement is driven by student needs and guided by state standards and frameworks. District and school administrators use site trend analyses, state testing, district-level assessments, teacher response, and administrator observations to identify more effective methods and strategies to achieve positive results for teachers and students.

The Assistant Superintendent of Educational Services and principals meet monthly to analyze current instructional programs, instructional materials, implementation timelines, and student achievement. Feedback is gathered at the site level through direct input and staff observation. Periodic Curriculum Development Committees are formed to address identified areas of need and focus. Professional Development has been incorporated into staff meetings, early release days on Thursdays, and substitute release days, to allow for teachers to have time for data analysis, and to plan implementation of Write from the Beginning, Thinking Maps and Cognitive Guided Instruction (CGI).

In alignment with the district's long-range curriculum plan, staff development opportunities are available for teachers, support personnel, administrators, and classified staff at Eader School. A comprehensive school plan is in place which guides curriculum improvement. Focus areas for each year are determined by student achievement, district focus areas, parent and staff survey results, and the textbook adoption cycle. Progress is assessed yearly using multiple criteria including STAR testing results, writing sample results, reading test results, student work, teacher observation, and criterion-based testing. Each year, approximately ten percent of Eader's School Improvement funds are allocated to staff development.

A portion of our school funds are used to enable staff members to attend teaching seminars and other events designed to enhance their teaching techniques and expand their knowledge base. Teachers new to the profession are supported by peer coaching and are encouraged to attend in-services offered by the West Orange County Consortium for Special Education or education consultants. Teachers are encouraged to attend subject-specific seminars and major conferences and share what they learn with other staff members. The Beginning Teacher Support and Assessment (BTSA) program offers additional support and opportunities to new teachers. The program is designed to assist those new to teaching to expand and deepen their teaching skills, help the school district retain more new teachers, and improve learning opportunities for students.

Classified staff and instructional assistants are provided training and development opportunities at the school, district, and county levels. In-services for classified staff are geared to their specialty areas.

Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: www.cde.ca.gov/nclb/sr/tq/

Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers		
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100.0	0.0
Districtwide		
All Schools	100.0	0.0
High-Poverty Schools	100.0	0.0
Low-Poverty Schools	100.0	0.0

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	N/A
Social/Behavioral or Career Development Counselor	0
Library Media Teacher (Librarian)	N/A
Library Media Services Staff (Paraprofessional)	.25
Psychologist	.6
Social Worker	N/A
Nurse	N/A
Speech/Language/Hearing Specialist	2.1
Resource Specialist	N/A
Other	N/A
Average Number of Students per Staff Member	
Academic Counselor	N/A

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2011-12)				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	4,882.75	1,253.52	3,629.23	\$62,250
District	♦	♦	1,253.19	\$76,029
State	♦	♦	\$5,537	\$70,193
Percent Difference: School Site/District			189.6	%
Percent Difference: School Site/ State			-34.5	%

* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

* **Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: www.ed-data.org.

Teacher and Administrative Salaries (Fiscal Year 2011-12)		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$40,989	\$41,451
Mid-Range Teacher Salary	\$77,179	\$67,655
Highest Teacher Salary	\$94,135	\$85,989
Average Principal Salary (ES)	\$110,543	\$108,589
Average Principal Salary (MS)	\$106,029	\$111,643
Average Principal Salary (HS)	\$0	\$110,257
Superintendent Salary	\$189,000	\$182,548
Percent of District Budget		
Teacher Salaries	45.7%	41.8%
Administrative Salaries	5.8%	5.5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded (Fiscal Year 2012-13)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

A significant portion of Eader School's categorical program budget is allocated for professional development activities to support improved instruction. The district continuously explores ways to increase extended learning opportunities and improve intervention with at-risk students. Teachers have been trained in Cognitively Guided Instruction (CGI) for math, and Path to Proficiency and Thinking Maps for language development and pre-writing, and Write from the Beginning. The K and 1st Grade teachers have also had training in Developmental Reading Awareness (DRA), to target specific areas of strength and weakness in early reading skills.

Each year a portion of Eader's School/Library Improvement Block Grant funds are used to enable staff members to attend teaching seminars and other events designed to enhance their teaching techniques and expand their knowledge base. Teachers who are new to the profession are supported by peer coaching and are encouraged to attend in-services. Teachers who attend conferences, seminars, and other events are encouraged to share what they learn with other staff members. In 2012-13, a portion of Eader's School/Library Improvement Program funds were used to provide before-school and after-school intervention programs for students who were not proficient on state and district assessments.

The Beginning Teacher Support and Assessment (BTSA) program offers additional support and opportunities to new teachers. The program is designed to assist those new to teaching to expand and deepen their teaching skills, help the school district retain more new teachers, and improve learning opportunities for students. For experienced teachers, the Peer Assistance and Review Program utilizes the district's veteran teachers as "consultants" to assist with staff development districtwide, with a particular focus on teacher needs.

Gifted and Talented Education (GATE) Program cluster classes are provided for grades 2-5 for GATE identified students. All staff members are committed to creating and maintaining an environment where students can grow physically, emotionally, and intellectually into healthy, contributing citizens.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instructional materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: October 2013

Pursuant to the settlement of Williams vs. the State of California, Huntington Beach City School District thoroughly inspected each of its school sites at the start of the 2013-14 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment.

All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom. Additionally, all textbooks and instructional materials used within the District must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education.

Textbooks and instructional materials used in the district in the core subject areas of English-Language Arts, Mathematics, Science, and History-Social Science

Textbooks and Instructional Materials

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
<p>Reading/Language Arts</p> <p>The textbooks listed are from most recent adoption: Yes</p> <p>Percent of students lacking their own assigned textbook: 0.0%</p>	<p>Houghton Mifflin Adoption Year 2003</p>
<p>Mathematics</p> <p>The textbooks listed are from most recent adoption: Yes</p> <p>Percent of students lacking their own assigned textbook: 0.0%</p>	<p>Houghton Mifflin Adoption Year 2002</p>
<p>Science</p> <p>The textbooks listed are from most recent adoption: Yes</p> <p>Percent of students lacking their own assigned textbook: 0.0%</p>	<p>Pearson Scott Foresman Adoption Year 2008</p>
<p>History-Social Science</p> <p>The textbooks listed are from most recent adoption: Yes</p> <p>Percent of students lacking their own assigned textbook: 0.0%</p>	<p>Scott Foresman - K-1 Adoption Year 2007</p> <p>Houghton Mifflin Adoption Year 2007</p>

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at star.cde.ca.gov.

STAR Results for All Students - Three-Year Comparison									
Subject	Percent of Students Scoring at Proficient or Advanced								
	School			District			State		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
ELA	79	80	81	78	81	80	54	56	55
Math	84	84	89	74	75	79	49	50	50
Science	78	90	94	84	86	88	57	60	59
H-SS				72	74	75	48	49	49

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2013 STAR Results by Student Group				
Group	Percent of Students Scoring at Proficient or Advanced			
	ELA	Math	Science	H-SS
All Students in the LEA	80	79	88	75
All Student at the School	81	89	94	
Male	78	88	95	
Female	84	90	92	
Black or African American				
American Indian or Alaska Native				
Asian	88	96		
Filipino				
Hispanic or Latino	71	76		
Native Hawaiian/Pacific Islander				
White	83	92	93	
Two or More Races	76	82		
Socioeconomically Disadvantaged	67	78	93	
English Learners				
Students with Disabilities	66	76		
Students Receiving Migrant Education Services				

California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at www.cde.ca.gov/ta/tg/pf/.

Grade Level	Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	4.9	16.0	67.9

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at www.cde.ca.gov/ta/ac/ap/.

API Growth by Student Group – Three-Year Comparison			
Group	Actual API Change		
	10-11	11-12	12-13
All Students at the School	8	10	14
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino			
Native Hawaiian/Pacific Islander			
White	10	6	17
Two or More Races			
Socioeconomically Disadvantaged			
English Learners			
Students with Disabilities			

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison			
API Rank	2010	2011	2012
Statewide	9	9	9
Similar Schools	3	4	8

Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2012-2013
Year in Program Improvement		Year 1
Number of Schools Currently in Program Improvement		4
Percent of Schools Currently in Program Improvement		100.0

API Growth by Student Group - 2013 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2013 Growth API (API-G) at the school, district, and state level.

Group		School	District	State
All Students at the School	Students	405	5,376	4,655,989
	API-G	933	910	790
Black or African American	Students	5	27	296,463
	API-G		878	708
American Indian or Alaska Native	Students	1	18	30,394
	API-G		872	743
Asian	Students	25	509	406,527
	API-G	961	961	906
Filipino	Students	4	45	121,054
	API-G		884	867
Hispanic or Latino	Students	54	1,010	2,438,951
	API-G	877	846	744
Native Hawaiian/Pacific Islander	Students	2	22	25,351
	API-G		889	774
White	Students	281	3,367	1,200,127

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at www.cde.ca.gov/ta/ac/ay/.

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	Yes	Yes
Met API Criteria	Yes	Yes
Met Graduation Rate (if applicable)	N/A	N/A
