2018-2019 Bus Stops**

Please note that the times contained in these reports are estimates. While every effort is made for bus stop times to be consistent, times can vary due to ridership variability, traffic, absences, etc. The bus driver is the best source of current information. Students should arrive at the bus stop 10 minutes prior to the scheduled time.

Parents and guardians are encouraged to provide supervision at the bus stop until the bus arrives and remind students to dress for the weather. As always, parents are strongly encouraged to supervise and assist their children at bus stops in the morning and afternoon.
