

To our Seusstastical Prairie View Families!

We are so excited for our PV Community Reads Week (March 19-23rd)! On the reverse side of this paper, please find four days of reading challenges. Each night, have your student complete the challenge, fill out the brief survey, sign the slip, and have your student return it back to school. They will then be entered into a drawing for the daily prize (there will be a winner from each grade level). Please note: We will only accept one coupon each day to be eligible for the drawings.

Monday - Win an ice cream party for your class during Friday's All School Reading Party

Tuesday - Win some awesome Dr. Seuss supplies

Wednesday - Today's winners' classes will get a special visit from Dr. Gonzales as a guest reader

Thursday - Win a \$10 gift certificate to the upcoming Scholastic Book Fair

On **Friday, March 23rd**, we will take all of the coupons that have been turned in, and draw for our grand prize of six \$50 gift cards to Barnes and Noble (one winner per grade level). The more challenges turned in throughout the week, the more chances your student has to win one of the grand prizes!

Thank You For Your Participation! Did you know? Just 20 minutes a day of independent reading can equal over 1 million words in a year! Daily reading to children puts them almost 1 year ahead of those who are not being read to. Thanks for reading with your student and helping them complete the fun challenges!

This will be a busy week full of fun activities! Mark Your Calendars!
