

Lincoln Elementary

California Department of Education School Accountability Report Card Reported Using Data from the 2015-16 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

Description of School: Founded in 1947, Lincoln School is located in North Redondo Beach and is the school that is the furthest north within RBUSD. Lincoln is comprised of students from diverse social, economic, linguistic and cultural backgrounds. Lincoln School serves a student population of approximately 600 kindergarteners through 5th graders. Lincoln School is staffed by a host of exceptionally talented and dedicated professionals. All of the teaching staff is considered "Highly Qualified" by the federal "No Child Left Behind" requirements and all teachers are fully credentialed. Our general education staff and student body is supported by two full-time Learning Center teachers and three Special Day Class (SDC) teachers. In addition, Lincoln has two full-time Speech and Language teachers, a part-time counselor and 2 part-time school psychologists.

Lincoln believes in educating the whole child. The school maintains a partnership with Beach Cities Health District who funds the LiveWell Kids Program. LiveWell Kids trains parent volunteers to create lessons that focus on healthy living. Students plant healthy foods in the school garden and learn about healthy eating habits from nutrition lessons. Additionally, students in grades one and two participate in a visual and performing arts put on by the Music Center while third and fourth graders will participate in vocal music instruction in the spring. Fifth grades students have the option to participate in an instrumental band program. Fifth grade students also attend a sleep away science camp. where they learn fifth grade science standards in an outdoor school environment.

The staff works as a team to create an environment where mutual respect informs and promotes healthy collaboration as well as individual thinking. Our goal is to help our community see the value of learning from one another as we all share the common goal of contributing to a better tomorrow. We value tenacity, perseverance, being open minded and we focus on teaching students how to make connections between what they study in school and the challenges they will encounter in the real world. This learning extends beyond the pages of a textbook. Beginning in the primary grades, the teachers reinforce scholarly habits to empower students: they give them the tools to solve problems successfully and think independently.

Our mission is to partner with the students and parents and commit to creating responsible citizens and inspire students to become lifelong learners and problems solvers in a caring, supportive and diverse environment.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential	26	30	28	432
Without Full Credential	0	0	0	0
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Last updated: 1/27/2017

Teacher Misassignments and Vacant Teacher Positions

Indicator	2014-15	2015-16	2016-17
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

Last updated: 1/27/2017

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts / Literacy (grades 3-8 and 11)	75.0%	70.0%	68.0%	73.0%	44.0%	48.0%
Mathematics (grades 3-8 and 11)	57.0%	62.0%	56.0%	61.0%	34.0%	36.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/20/2017

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2015-16)****ELA - Grade 3**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	95	95	100.0%	54.7%
Male	56	56	100.0%	53.6%
Female	39	39	100.0%	56.4%
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	14	14	100.0%	78.6%
Filipino	--	--	--	--
Hispanic or Latino	20	20	100.0%	40.0%
Native Hawaiian or Pacific Islander	--	--	--	--
White	46	46	100.0%	56.5%
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	11	11	100.0%	27.3%
English Learners	--	--	--	--
Students with Disabilities	23	23	100.0%	30.4%
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2016-17)

Parental Involvement: Familial warmth and dedication to what's best for children is apparent at Lincoln. Research shows that schools are strongest and students achieve best when the school community joins together to support the school and its endeavors. Students at Lincoln are fortunate to be well supported by an active parent body, Education Foundation, and PT A that provide for many extra- and co-curricular activities. We have a number of wonderful educational opportunities such as: assemblies, hands on science, a movie night, a garden program, lab science, parent docent-led nutrition lessons, a wide array of field trips and family fun and education nights.

Our School Site Council, which is comprised of parents, community members and staff, meets regularly to make decisions about programs and school safety.

There is also an active English Language Advisory Committee who advises the school on decisions that benefit English Language Learners.

A fine arts program called "Hands on Art" and numerous opportunities to be active in classrooms and after school help create opportunities for involvement. For additional information, you may contact the school office. There are many ways you can make a difference in the overall school community and we are always interested in what you can contribute to make our school an even better place for our children. Please consider volunteering for one of the many PTA sponsored events that make Lincoln so special. Contact the school at (310) 798-8646 or visit our website for more information.

State Priority: Pupil Engagement

Last updated: 1/31/2017

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

School Safety Plan (School Year 2016-17)

The Redondo Beach Unified School District has developed Comprehensive School Safety Plans and coordinated school crisis response procedures in partnership with law enforcement and emergency response organizations. The Comprehensive School Safety Plans meet the requirements of the annual Safety Plan Process under California SB 187. As stated in SB 187, school safety plans are updated annually with participation from staff and additional stakeholders in a School Site Council.

District schools have also developed a "Grab and Go" guide to supplement the Comprehensive School Safety Plans. The Grab and Go guides detail teacher and staff procedures in an actual emergency, in addition to site emergency response teams.

Last updated: 1/31/2017

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2016-17)

Indicator	School	District
Program Improvement Status	Not in PI	In PI
First Year of Program Improvement		2013-2014
Year in Program Improvement		Year 1

Types of Services Funded (Fiscal Year 2015-16)

Lincoln Elementary School receives funds from the state of California to meet our school goals. LCFF Base Funding is used to complete action items in our school plan such as instructional materials for all grades and professional development for teachers and staff. LCFF Supplemental Funding is used for Supplemental expenditures that support at-risk students and English Learners in all classrooms. Recent purchases include supplemental instructional materials to increase proficiency in core content areas. Funds are also used for the salary of a part-time instructional aide to work directly with English Learners and provide classroom support.

Professional Development

The Redondo Beach Unified School District is focusing staff professional development (PD) in three main areas: effective instructional strategies aligned to Common Core State Standards (CCSS) at school sites; use of technology in instruction; and the implementation of Positive Behavioral Intervention and Supports (PBIS) in all schools. While the current PD does focus on instruction and curriculum in mathematics and English Language Arts (ELA), the RBUSD is also developing PD for the Next Generation Science Standards (NGSS) and social science standards.

The RBUSD is engaged in a multi-layered approach to delivering PD. The District provides PD through: teacher release time; conference attendance; one-day workshops; mentoring; and after-school, "early out" days. The elementary schools utilize weekly collaborative planning time through the implementation of a School Instructional Leadership Team and grade level leads.

The use of student data is critical to better assess and support individual student development. The District provides training on our student data management, Illuminate Education, to analyze individual and aggregate student progress. Elementary teachers and secondary math teachers utilize the Tenmarks math program both to assign and assess student performance. All of the above teachers have had PD training on the Tenmarks program.

Internal PD offerings are supplemented by partnering with external professional development organizations, including universities such as LMU and UCLA. Our partners advise on the District's program development and provide PD for teachers and administration on instructional programs for all students.

The District is designing a teacher coaching model in concert with the Redondo Beach Teachers Association to mentor teacher development in: differentiating instruction; developing CCSS aligned lesson plans; as well as English Language Development aligned instruction strategies to better support our English Learner student population.

Our new teachers are supported at school sites and at the District level through the Beginning Teacher Support and Assessments (BTSA) Program where each new teacher is mentored by a BTSA support provider. By working within BTSA, a new teacher receives support and resources to improve their teaching pedagogy.

Through the collective bargaining process, additional paid professional development days have been added to the teacher work calendar (1 additional day in 2015-2016, 2 additional days in 2016-2017 and 2017-2018).
