

Please follow these steps to access the appropriate CAASPP practice test(s) for your children and help prepare them for the testing environment. Thanks for your support.

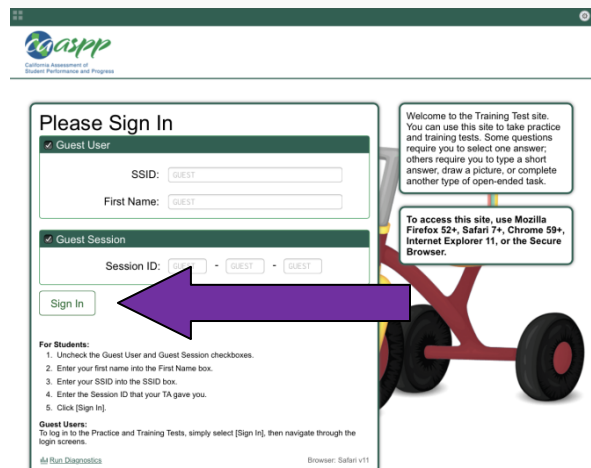

### STEP 1

- a) Copy this link into your web browser.  
<http://www.caaspp.org/practice-and-training/index.html>
- b) Click on the green box: **Student Interface**.

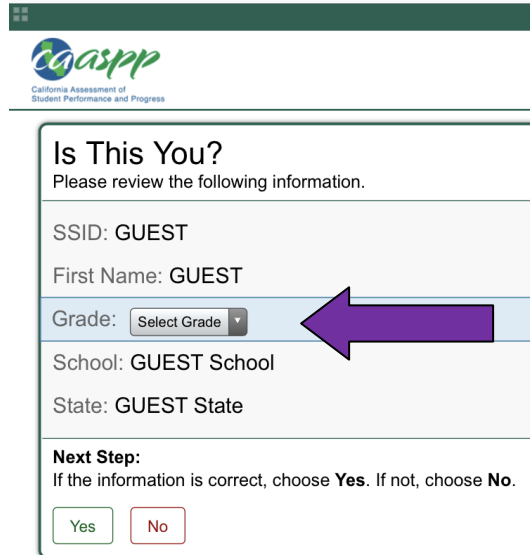

### STEP 2

- a) Click on the green **SIGN IN** button to login as a GUEST.

### STEP 3

- a) Click on the arrow next to **GRADE** to select the appropriate grade level.
- b) Then click the green **YES** button.

The screenshot shows the 'Is This You?' login form from the California Assessment of Student Performance and Progress (CAASPP). The form includes fields for SSID (GUEST), First Name (GUEST), Grade (a dropdown menu with 'Select Grade' selected), School (GUEST School), and State (GUEST State). A purple arrow points to the 'Grade' dropdown menu. Below the form, there is a 'Next Step' section with instructions: 'If the information is correct, choose Yes. If not, choose No.' and two buttons: 'Yes' (green) and 'No' (red).

### STEP 4

Please refer to the image on Page 3 of this document for reference to the color coding.

- a) The Smarter Balanced Training tests in **PURPLE** provide helpful information on the technology used in the testing modules and can assist your learn how to navigate through the test (including the VERY important “Submit” button). This material is being covered in class but can be reinforced at home.
- b) The Smarter Balanced Practice tests in **PINK** are for ELA (English Language Arts) and Math. There is a PRACTICE test (left side) and a Performance Task (right side). The PRACTICE test is based on more standard questions in the Computer-Adaptive (CAT) style and the PERFORMANCE TASK (PT) requires that students apply knowledge in different scenarios encouraging more critical thinking.

**It is suggested that you complete both the PRACTICE TEST and PERFORMANCE TASK for both ELA and MATH, as the actual test given in school in April includes both a COMPUTER-ADAPTIVE TEST (CAT) and a PERFORMANCE TASK (PT).** You can do these as many times as you’d like but you will not be able to track progress nor will you receive the score of the assessment; scores are only provided for the actual testing that takes place in school in April. These score reports are mailed home in late June.

- c) The California Alternative Assessment (CAA) Training Test in **LIGHT BLUE** and the California Alternative Assessment (CAA) Practice Test in **DARK BLUE** are modules for students in Horace Mann’s “PrIME” (moderate to severe needs) special education classes.
- d) If you are in Grade 5 or Grade 8, you will also see an **ORANGE** California Science Training test. 5<sup>th</sup> and 8<sup>th</sup> grades are the only grades that test in science.
