About Veterans of America

The Veterans of America is a critical support service for our veterans. Veterans of America became a membership organization in 1979. ***The Veterans of America is a respected charity that gives aid to America's veterans, not just those of a particular age group or war.*** By donating used clothes, shoes, small appliances, and other household items, you help generate funds to take care of the soldiers and service men and women who help keep America safe from harm.

Our Intention

January 2017

Start off Clothing Drive:
present to NJHS, set up
drop off area in the office

March 2017

Veterans of America will come and
pick up the donations

February 2017

Organize the drop off area; fold
and bag clothes (Other NJHS
members may help during second
lunch and after school)

What to donate

You can donate almost anything:

- clothing of any kind
 - Shoes

 - Toys
 - Bikes
 - Stereos

- Radios
- Portable TV's
- Small electronics

Clothing Donations

Clothing donations will help support the Veterans of America. We will donate to a national non-profit organization that assists Veterans of America, as well as their families. We accept all types and sizes of clothing, from baby sweaters to junior's dresses to men's sportswear. All clothing styles are also appreciated, regardless of current trends and popular fashions.

How you can help:

Many veterans don't have access to the health care services they need, making it difficult to seek proper treatment. You can help veterans obtain the services they need by donating your used clothes, shoes and accessories, jewelry, house and glassware, books, toys, bikes, stereos, radios, portable TVs, small electronics, tools of all kinds. But what we need most is CLOTHING. :)

How NJHS members may help

Some NJHS members may ask how they may help. There are many ways they may help:

- NJHS members may join us to help Veterans of America, sign up to help during 2nd lunch, after-school, or both
- Donate to our project
