Dear Parents/Guardians,

In order to provide safe and appropriate health care to your child while they are attending school, certain information is necessary. Please review and complete the attached forms. These completed forms must be returned to the school prior to your child attending classes. **A complete and current immunization record must be reviewed by one of the nurses prior to your child's first day of school. According to new PA immunization regulations, once your child starts to attend classes, he/she will only have 5 days to receive any immunizations required..** If your child has any special health needs that may affect their schooling, please feel free to contact us at 839-4195. Thank you for your cooperation in this matter.

Sincerely,

Denise A. Barkman, R.N., C.S.N.
School Nurse (ext.3338)

Sharron L. Baer, R.N., C.S.N.
