

Copper Canyon Elementary School
School Community Council
Mid-Year Report
February 7, 2012

I am happy to report that our work as a school community council is going well and that we are achieving our goals as a team!

I want to personally acknowledge and thank each person who serves on our school's Community Council. Each member offers a unique perspective that helps our Council function effectively and efficiently, and enables our school to be the best it can be. Our Council is led and chaired by one of our parents, Mrs. Shannon Bigelow. And, the vice-chair is one of our third grade teachers, Mr. Jack Cowan. The rest of the Council is composed of parents, Annika Crump, Jennifer Lords, Terry North, Yvonne Turner, and Robyn Handley; and teacher representative Betsy Bodrero.

We are grateful that we have a highly dedicated and committed group of volunteers who are willing to give generously of their time and serve on our school's Community Council. Our School Community Council is committed to ensuring that it does all it can to help us have a school of excellence focused on teachers and students "achieving essential teaching and learning." The Copper Canyon Community Council takes its responsibilities seriously and fulfills its duties with fidelity.

Our Council has been involved in many tasks this year: council elections, school budgeting, school improvement plan, reading achievement plan, trustland funding plan, and soon to be... access and routing plan. Currently, the Council is in the process of reviewing and finalizing the school's "most-pressing" academic needs and creating a plan to help support those needs for the 2012-2013 school year.

Our Council enjoys working together and is proactive in its work with the school and its administration!

Respectfully,

Clint Spindler, Principal
